The University Mission

The mission of Houston Baptist University is to provide a learning experience that instills in students a passion for academic, spiritual, and professional excellence as a result of our central confession, "Jesus Christ is Lord."

-- Unanimously approved by the Board of Trustees
   February 24, 2009

Our Values

The Preamble to the University By-Laws as stated below describes the distinctive nature of the institution.

The Houston Baptist University is a Christian liberal arts university dedicated to the development of moral character, the enrichment of spiritual lives, and the perpetuation of growth in Christian ideals.

Founded under the providence of God and with the conviction that there is a need for a university in this community that will train the minds, develop the moral character and enrich the spiritual lives of all people who may come within the ambit of its influence, HOUSTON BAPTIST UNIVERSITY shall stand as a witness for Jesus Christ expressed directly through its administration, faculty and students. To assure the perpetuation of these basic concepts of its founders, it is resolved that all those who become associated with Houston Baptist University as a trustee, officer, member of the faculty or of the staff, and who perform work connected with the educational activities of the University, must believe in the divine inspiration of the Bible, both the Old Testament and New Testament, that man was directly created by God, the virgin birth of Jesus Christ, our Lord and Savior, as the Son of God, that He died for the sins of all men and thereafter arose from the grave, that by repentance and the acceptance of and belief in Him, by the grace of God, the individual is saved from eternal damnation and receives eternal life in the presence of God; and it is further resolved that the ultimate teachings in this University shall never be inconsistent with the above principles.

The University Vision:

The Ten Pillars: Faith and Reason in a Great City

HBU will fulfill its responsibility for the renewal of Christian higher education through a vision organized around Ten Pillars. These Ten Pillars are the reflection of envisioning sessions and conversations held with HBU faculty, staff, students, trustees, alumni, and selected members of the community. The ideas and initiatives listed in this vision document all have their roots in those sessions. While the Ten Pillars do not exhaustively list all the suggestions, or all of our plans, they do capture the spirit and direction of our university family’s aspirations for HBU.
1. Build on the Classics
2. Recruit for National Influence
3. Embrace the Challenge of Christian Graduate Education
4. Establish a Residential Society of Learning
5. Increase our Cultural Impact through our Faculty
6. Renew our Campus, Renew our Community
7. Bring Athens and Jerusalem Together
8. Expand our Commitment to the Creative Arts
9. Cultivate a Strong Global Focus
10. Move to the Next Level as an Institution

Undergraduate Traditions

Traditions are a source of pride and enthusiasm to a university community; they provide continuity through the years and combine stability with growth. Much of the excitement of attending a young, changing university is that tomorrow’s traditions are being made by us today.

**Beanie and Tug-of-War** - The beanie is the University's way of welcoming freshmen to the HBU spirit and way of life. Freshmen are to wear their beanies until the exciting Tug-of-War, which occurs the first week of classes. If the freshmen lose the Tug-of-War they continue to wear their beanies for an additional week.

**Husky Sign** - The Husky sign is made by touching the thumb to the tips of the two middle fingers, making the dog's "head." The outside fingers are extended to represent the ears.

**School Colors** - Selected by our founders before the first classes began, orange and blue have become symbolic of Houston Baptist University in all phases of campus life.

**School Mascot** - The mascot of HBU is the mighty Siberian Husky. The name of our current live mascot is Kiza II (shortened from Wakiza, which means Mighty Warrior.)

School Songs

**HBU Fight Song**

*Get Up and Go, You Mighty Huskies*

Get up and go, you mighty Huskies
Give it a fight for HBU.
Whenever the goin’ is rough and things are tough,
Don’t give up the fight.
Shoulder the load, hold to the road,
Pull with all your might.
Get up and go, you mighty Huskies
Give it a hail for orange and blue.
Get ready to meet the test, show your best
Drive until you’ve made History, with victory
You’ll win for HBU.
Words and music by
Dr. Robert L. Parker

Hail the Orange and Blue
In the great state of Texas,
Houston, USA,
Stands our noble Alma Mater,
Christ saying I am the Way.
In our search for knowledge,
Tempered with Thy love,
Seeking our place of service,
With wisdom from above.
Give us courage, strength and faith,
To face a world filled with fear.
Ever onward to the challenge,
Knowing Thou art near.

Chorus
God bless our school.
Keep her safe and true.
God bless our Alma Mater.
Hail the Orange and Blue.

Policies

Campus Policies

Family Educational Rights and Privacy Act (FERPA)
In compliance with the Family Educational Rights and Privacy Act (FERPA), HBU cannot release personally identifiable information to any person other than the student, unless written permission is given for the University to do so. Students may give permission for their educational records to be released to designated parties by completing the "FERPA Authorization to Release Education Records" in the Registrar's Office.

In general, no personally identifiable information from a student's education records will be disclosed without written consent from the student. This includes, but is not limited to, grade reports, academic schedule information, and transcripts. Two exceptions may, however, be made: (1) directory information may be released unless the student requests that it be withheld, as explained in the section below; (2) records may be disclosed to parents of students who depend upon them as defined by Internal Revenue Code 1986, Section 152.

HBU has designated the following student information as public or "directory information:" name; local and permanent addresses; telephone numbers; e-mail addresses; date and place of birth; classification; major field(s) of study; classification; dates of attendance; degrees, honors, and awards received; most recent educational institution attended; participation in officially recognized sports and activities; weight and height of athletic team members; and photographs.

At its discretion, the institution may disclose such information for any purpose. Any new or currently enrolled student who does not want his/her directory information disclosed should notify the HBU Registrar in writing by using the FERPA Request to Withhold/Release Directory Information form. Such notification must be received by the end of the first full week of classes for any term to ensure that the student's directory information is not released except to officials with legitimate educational purposes as authorized by FERPA.

The request to withhold directory information will remain in effect as long as the student continues to be enrolled or until the student files a written request with the HBU Registrar to discontinue the withholding. To continue nondisclosure of directory information after a student ceases to be enrolled, a written request for continuance must be filed with the HBU Registrar during the student's last term of attendance.

HBU assumes that failure on the part of any student to specifically request the withholding of categories of "directory information" indicates individual approval for disclosure.

Poster/Flyer Posting

1. All brochures, flyers and posters must be “Student Life Approved” through Office of Student Involvement, located on the second floor of M.D. Anderson Student Center.
2. ONLY Student Life staff will be allowed to post flyers. Flyers will be posted in appropriate spaces only. For posting, all flyers must be delivered to the Student Involvement Office by Monday afternoon each week. All postings will be posted on Tuesday morning each week.
3. Posters/signs should be in good taste as deemed appropriate by the Student Involvement staff and not include references to alcohol, sexual innuendos, or offensive language of any kind.

4. Posters/signs should have accurate information regarding events (place, date/time), reflecting the same information that is on the University calendar.

5. Student Organizations must post all event information on the club and organization data base. All events must be detailed and approved. All dates, times and locations must be approved through the Ad Astra calendaring system. Student Life approval can take up to one week.

6. Because of limited space, keep the sign/poster to a maximum size of 8 ½" by 11” letter size paper.

7. Banners (maximum size of 4’ x 8’) may be posted in Hinton and the M.D. Anderson Student Center, hung on the cable along the upstairs railing. All banners must be approved by the Office of Student Involvement before posting. All banners must be secured when hanging. If the banner falls, it may not be replaced.

8. All banners and flyers will be taken down after the appropriate day and time. No poster/flyer/banner will stay up longer than one month (unless otherwise authorized by Student Involvement).

9. Use of yard signs, display boards and other large scale signage is prohibited except for use by HBU departments and fee-funded organizations.

10. Distributing flyers on car windshields is prohibited. Police should be notified immediately if this rule is broken.

11. Chalking may be done only in open, uncovered areas. (Do not chalk anywhere rain cannot reach.)

12. If these policies are consistently violated, student organizations will lose the privilege to advertise on campus.

Smoke Free Campus
The University has elected to strengthen the Smoke Free Campus Policy. Effective September 1, 2006, the policy prohibits smoking anywhere on University premises except for the confines of private vehicles.

Computer Use Policy

The University believes that establishing and maintaining adequate computer hardware and software for both academic and administrative purposes is foundational to the University's goal of becoming a premier Christian academic university. Houston Baptist University (HBU) makes its computing facilities available for use by undergraduate students, graduate students, faculty, and staff. The use of university computing facilities or network is considered a privilege afforded members of the HBU community. Although this policy sets forth the general parameters of appropriate use of IT Systems, students, faculty, and staff should consult school or departmental governing policies for more detailed statements on permitted use for their various roles within the HBU community. In the event of conflict between IT policies, this Computer Use Policy will prevail.

A. Appropriate Use

IT Systems may be used only for their authorized purposes – that is, to support the research, education, clinical, administrative, and other functions of Houston Baptist University. The particular
purposes of any IT System as well as the nature and scope of authorized, incidental personal use may vary according to the duties and responsibilities of the User. Appropriate use restrictions extend to Users connecting to HBU IT Systems with devices not owned by HBU.

B. Authorization
Users are entitled to access only those elements of IT Systems that are consistent with their Specific Authorization. Upon request by a Systems Administrator or other University authority, Users must produce valid University identification.

C. Specific Proscriptions on Use
The following categories of use are inappropriate and prohibited:

1. **Use that impedes, interferes with, impairs, or otherwise causes harm to the activities of others.**
   Users must not deny or interfere with or attempt to deny or interfere with service to other users in any way. Knowing or reckless distribution of unwanted mail or other unwanted messages is prohibited. Other behavior that may cause excessive network traffic or computing load is also prohibited.

2. **Use that is inconsistent with HBU's non-profit status.**
   The University is a non-profit, tax-exempt organization and, as such, is subject to specific federal, state, and local laws regarding sources of income, political activities, use of property, and similar matters. As a result, commercial use of IT Systems for non-HBU purposes is generally prohibited, except if specifically authorized and permitted under University conflict-of-interest, outside employment, and other related policies. Prohibited commercial use does not include communications and exchange of data that furthers the University's educational, administrative, research, clinical, and other roles, regardless of whether it has an incidental financial or other benefit to an external organization.

3. **Use that suggests University endorsement of any political candidate or ballot initiative.**
   Users must refrain from using IT Systems for the purpose of lobbying that connotes University involvement, except for authorized lobbying through or in consultation with the University's Office of the General Counsel.

4. **Harassing or threatening use.** This category includes, for example, display of offensive, sexual material in the workplace, computer labs, or any public computing facilities and repeated unwelcome contacts with another.

5. **Use damaging the integrity of University IT Systems or non-HBU systems.** This category includes, but is not limited to, the following activities:
   1. Attempts to defeat system security.
   2. Unauthorized access or use. The University recognizes the importance of preserving the privacy of Users and data stored in IT systems. Users must honor this principle by neither seeking to obtain unauthorized access to IT Systems, nor permitting or assisting any others in doing the same. For example, a non-HBU organization or individual may not use non-public IT Systems without specific authorization; Users are prohibited from accessing or attempting to access data on IT Systems that they are not authorized to access; Users must not make or attempt to make any deliberate, unauthorized changes to data on an IT System; and Users must not intercept or attempt to intercept or access data communications not intended for them.
   3. Disguised or impersonated use.
   4. Distributing computer viruses or malicious code.
   5. Unauthorized modification or removal of data or equipment.
6. Use in violation of law. With respect to copyright infringement, Users should be aware that copyright law governs (among other activities) the copying, display, and use of software and other works in digital form (text, sound, images, and other multimedia). The law permits use of copyrighted material without authorization from the copyright holder for some educational purposes (protecting certain classroom practices and “fair use,” for example), but an educational purpose does not automatically mean that the use is permitted without authorization.

7. Use in violation of University contracts. All use of IT Systems must be consistent with the University’s contractual obligations, including limitations defined in software and other licensing agreements;

8. Use in violation of University policy

9. Use in violation of external data network policies

D. Personal Account Responsibility

Users are responsible for maintaining the security of their own IT Systems accounts and passwords and may not share passwords. Passwords must conform with published guidelines at HBU Password Procedures. Users are presumed to be responsible for any activity carried out under their IT Systems accounts or posted on their personal web pages.

E. Responsibility for Content

Official University information may be published in a variety of electronic forms. The Certifying Authority under whose auspices the information is published is responsible for the content of the published document.

Users also are able to publish information on IT Systems or over HBU’s networks. Neither HBU nor individual Systems Administrators can screen such privately published material nor can they ensure its accuracy or assume any responsibility for its content. The University will treat any electronic publication provided on or over IT Systems that lacks a Certifying Authority as the private speech of an individual User.

Conditions for University Access

The University places a high value on privacy and recognizes its critical importance in an academic setting. There are nonetheless circumstances in which, following carefully prescribed processes, the University may determine that other considerations outweigh the value of a User’s expectation of privacy and warrant University access to relevant IT Systems without the consent of the User. Those circumstances are discussed below, together with the procedural safeguards established to ensure access is gained only when appropriate.

A. Conditions

In accordance with state and federal law, the University may access all aspects of HBU IT Systems (including devices not owned by HBU but connected to HBU IT Systems) without the consent of the User, in the following circumstances:

1. When necessary to identify or diagnose systems or security vulnerabilities and problems, or otherwise preserve the integrity of the IT Systems; or
2. When required by federal, state, or local law or administrative rules; or
3. When such access to IT Systems is required to carry out essential business functions of the University; or
4. When required to preserve public health and safety; or
5. When there are reasonable grounds to believe that a violation of law or a significant breach of University policy may have taken place and access and inspection or monitoring may produce evidence related to the misconduct; or
6. For Users who were members of the HBU faculty or staff: When the User’s employment at HBU has ended and there is a legitimate business reason to access the User’s IT Systems

B. Process
Consistent with the privacy interests of Users, University access without the consent of the User pursuant to A (1) through (5) will occur only with the approval of the Provost and cognizant Dean (for faculty users), the Vice President Financial Operations and Administration (for staff users), the Dean of HBU College or of one of the graduate or professional schools, as appropriate (for student users), or their respective delegates, except when emergency access is necessary to preserve the integrity of facilities or to preserve public health and safety. The University, through the Systems Administrators, will log all instances of access without consent pursuant to A (1) through (5). Systems Administrators will also log any emergency access within their control for subsequent review by the Provost, Vice President of Financial Operations and Administration, dean, or other appropriate University authority. A User will be notified of University access to relevant IT Systems without consent pursuant to A (1) through (4). Depending on the circumstances, such notification will occur before, during, or after the access, at the University’s discretion. In the case of a former staff member, access without consent pursuant to A (6) must be approved by one of the former staff member’s supervisors or their successors and no logging or notice is required. In the case of a former faculty member, access without consent pursuant to A (6) must be approved by the department chair or cognizant dean and no logging or notice is required.

C. User access deactivations
In addition to accessing IT Systems, the University, through the appropriate Systems Administrator, may deactivate a User’s IT privileges, whether or not the User is suspected of any violation of this Policy, when necessary to preserve the integrity of facilities, user services, or data. The Systems Administrator will attempt to notify the User of any such action.

D. Use of security scanning systems
By attaching privately owned personal computers or other IT resources to the University’s network, Users consent to University use of scanning programs for security purposes on those resources while attached to the network.

E. Logs
Most IT systems routinely log user actions in order to facilitate recovery from system malfunctions and for other management purposes. All Systems Administrators are required to establish and post policies and procedures concerning logging of User actions, including the extent of individually-identifiable data collection, data security, and data retention.

Facilities
University facilities are well-maintained and their security given consistent attention in the interest of students, staff, and faculty. Cultural, educational, professional, and athletic events as well as the Bookstore and HBU Dining Services are open to community visitors.

Unless otherwise scheduled for an event, our campus academic buildings are open from 8 a.m. until 10
p.m. and administrative buildings are open from 8 a.m. until 5 p.m. Monday through Friday. Academic buildings are scheduled to be open on weekends only as needed. Access to individual classrooms and laboratories is limited to those enrolled and scheduled on the University’s Master Calendar. Access to University Residence Colleges is limited to residents through a code lock or keycard system. During the times that the University is officially closed, University buildings are locked and only faculty, staff, and students with keys and/or a proper ID are admitted. Clearance to others is granted through the University Police Office.

Use of University Facilities
HBU recognizes a fundamental responsibility to its community and, therefore, when possible, leases its available facilities when not required for use or work by the University. Recognized student organizations may schedule space without cost. Non-university sponsored events may include:

- legally established organizations for presentation of educational, professional, cultural, and musical programs
- conferences, workshops, seminars
- individual recitals, weddings, receptions
- camps, athletic events

HBU complies with all applicable federal and state non-discrimination laws and does not engage in prohibited discrimination on the basis of race, nationality, ethnic origin, gender, age or disability in either employment or the provision of services. All events on campus must be in alignment with the vision, mission, and purpose of the University.

With the exception of classroom assignments facilitated by the Provost, ALL use of campus facilities must be scheduled on the University Master Calendar. If there is any damage to the scheduled facility (conference rooms, classrooms, athletic complexes, buildings, grounds, etc.) during the event, the individual or organization will be held liable for costs incurred by the University to make repairs. The University is not liable for items lost during or in connection with these activities.

For an external group or a student hosting a personal event, the Office of University Events and Conferences provides the following services:

- reservations on the University master calendar for all use of campus space when not in use by academic courses, or University initiatives*
- event planning and consultation
- assistance with arranging services for events
- coordination of event logistics, including:
  - Aramark Services
    - Food service, catering, linens*

  - Media Services (audio/visual)*
  - Operations (facility set up, equipment rental, summer lodging)*
  - Police support (parking, security coverage)*

*Fees are charged for facilities, food service, equipment rentals and set-ups, media service and extra police support.

Copyright Infringement

Introduction
HBU wants to protect you and our information resources. To be compliant with federal regulations, this important notification is distributed to the Campus community. Courts have recently imposed fines against individuals found guilty of violating copyright laws. The purpose of this policy is to officially notify all students, faculty, and staff, that it is a violation of federal law and HBU policy to share and/or distribute copyrighted materials without the permission of the copyright holder. Violators may be subject to civil and criminal prosecution under federal law, as well as personal sanctions specified in HBU policy. The following are Copyright policies by HBU departments.

Information Technology Services (ITS)

File Sharing
File sharing software (like BitTorrent, BearShare, KaZaA, eMule, µTorrent, etc.) is most commonly used to download music and movies from the Internet. Many do not realize that this software may turn your personal computer into a server, or upload site, even if that was not your intent. Many worms, viruses and other malicious code get transferred during peer-to-peer file transfers, too. Files on your network connected PC may then be illegally shared with every other person connected to the World Wide Web. It is imperative that the file sharing capability of these systems be disabled. If you do not know how to disable this function, please contact the Help Desk. Industry representatives aggressively monitor the Internet to discover incidents of illegal file sharing. When violations are discovered, they contact the network owner and/or the Internet Service Provider and demand that the offending device be disconnected from the network. To protect the user and HBU from further responsibility under federal copyright law or HBU policy, Information Technology Services will disable network access for any machine for which a complaint of copyright infringement has been received.

Scanning
Computer Labs and other administrative areas provide optical scanners to Faculty, Staff and Students. These scanners could be used to copy (using the photocopier method) a book, journal or other printed material. The result is a computer file with the image of the book or journal pages. This file could be printed or read from the computer screen. The principle is the same; to reproduce copyrighted material into an electronic format. This is also a violation of the copyright law if done in excess of the accepted “fair use.”

Moody Library

Fair Use and Copyright Law
The Copyright Law provides a set of rules regarding library reproductions. Moody library complies with the law and provides that the copying equipment displays a notice that the making of a copy may be subject to the copyright law.

The Copyright Law of the United States (Title 17, United States Code) governs the making of photocopies or other reproductions of copyrighted material. Under certain conditions specified in the law, libraries and archives are authorized to furnish a photocopy or other reproduction. One of these specified conditions is that the photocopy or reproduction is not to be "used for any purpose other than private study,
scholarship, or research.” If a user makes a request for, or later uses, a photocopy or reproduction for purposes in excess of “fair use,” that user may be liable for copyright infringement.

This institution reserves the right to refuse to accept a copying order if, in its judgment, fulfillment of the order would involve violation of copyright law. For more information check the resources links below.

**HBU Actions**

**Computer Use Policy**

The HBU Computer Use Policy states that “The University considers violations of the computer use policy to be a disciplinary offense. Violators of the policy shall be dealt with to the fullest extent of the student code of conduct, university policy, or (if applicable) criminal law and prosecution. Intentional attempts to impede, restrict, corrupt or in any other way disrupt the efficient operation of the university computer system(s) shall be construed as a blatant and intentional attempt to breach the integrity and security of the campus computer system, and shall be subject to the fullest extent of disciplinary policy and/or law.”

**Informal Complaint Procedures**

It is the wish of Houston Baptist University to provide an education and services of high quality to its students and to provide equity and harmony in the application of policies and procedures. When a student has a complaint, HBU encourages resolution be sought through informal communication with the appropriate instructor, college dean, staff member, or administrative officer who may be able to help rectify or clarify the situation before a written complaint is initiated.

**Formal Complaint Procedure**

*Lodging a Formal Student Complaint:* A student who wishes to lodge a formal complaint with Houston Baptist University must complete and submit the attached Student Grievance Form (link specific form here). Upon completion, the form will be submitted to the appropriate office, where it will be reviewed by a Director, Dean, Vice President, or Provost.

*Administrative Complaint Acknowledgment:* Formal student complaints will be directed to the administrator most immediately responsible for the area to which the complaint pertains. The administrator will send an electronic of acknowledgment of receipt to the student within five working days of receiving the complaint indicating that: (1) the formal complaint form has been received, (2) the nature of the complaint, and (3) that the student will receive a written response after deliberation within fifteen working days; acknowledgment of receipt will be sent via email to the student’s HBU account. Copies of the completed student complaint form and the acknowledgement letter of receipt will then be electronically sent to the Director, Dean, Vice President, or Provost over that specific office, division, or functional area. After completion of a review process, the grievance will be properly stored by the applicable office within a share point file designated by division.
Administrative Deliberation and Response: If the administrator to whom the complaint is forwarded determines that the nature of the complaint is beyond his/her area of supervision or expertise, the next level administrator in the area should be consulted and may be requested to respond to the student. Administrative disposition of the complaint will generally consist of investigation into the source of the complaint, previous efforts to resolve the issue, and any contingencies that will aid in the deliberation and disposition of the problem. The responding administrator will send to the student a written statement of attempted resolution to the problem. A copy of the deliberation response will be sent to the appropriate Director, Dean, Vice President, or Provost. All formal student complaints will be forwarded upon resolution to the Vice President for Student Life’s office where an electronic log will be kept.

Student Appeal Process: Upon receiving a deliberation response to the written complaint, the student has the right of appeal to successive levels of administrators within the area. This appeal must be made in writing within five working days of receiving the Administrative response. In each case, the student will receive an acknowledgement from the office in which the complaint is filed regarding the appeal within five working days upon receipt of the complaint and a deliberation response within fifteen working days from the date of the acknowledgment letter.

Administrative Levels for Student Complaints: The appropriate office for student complaints will be as follows:

- Provost (academic, accreditation, institutional research, library, academic departments and programs, registrar, and student services – student services related to the academic department include the Academic Success Center, tutoring, and academic advising)
- Vice President of Financial Operations (administrative services, bookstore, facilities, operations, finance, human resources, financial aid, student accounts, information technology)
- Vice President of University Relations (event services)
- Vice President of Enrollment Management (admissions)
- Vice President of Advancement (alumni, parent relations, fundraising)
- Vice President of Communication and Innovation (marketing and communications, publications)
- Vice President for Student Life (residence life, housing, spiritual life, commuter life, student involvement, student organizations, student success, food services, fitness center, and campus recreation)
- Athletic Director (athletics)

The only appeal beyond the offices listed above is to the President of the University. The appeal timeline stated above applies. The decision of the President will be final.

Academic Grievance Policy
A student may file an academic grievance if he or she believes a grade was awarded improperly or for any academic grievance matter. The formal process is described below and must be followed by all parties in order to resolve a dispute. No one—student or faculty member—is permitted to ignore the process, follow it out of order, or appeal to authorities such as the President or Provost.

1. The student should make an appointment with the faculty member in question to discuss the matter in person. The student is advised to keep his or her advisor apprised of the matter but this is not a requirement at this point. It is appropriate to try to resolve differences amicably and in person if at all possible before seeking to raise the matter to a higher level of authority than the classroom instructor. This is especially true at a Christian institution. If the student is concerned that a private meeting with the instructor will create antagonism, the student may skip to Step 2, but the student must make this concern known to the chair who controls Step 2 and explain in detail why he or she believes this to be the case.

2. If the student continues to dispute the grade after the face-to-face meeting, the student may bring the matter to the chair of the department in which the course is located. This step requires the student to
make a written appeal to the chair. At this step, the student must provide his or her advisor with a copy of the appeal (and the instructor if Step 1 was omitted). The chair will review the student's concern and consult with the classroom instructor, either individually or with both present. The chair will respond formally to the student and the instructor in writing of the chair's recommendation and notify the Dean of the action.

3. If the student is unsatisfied with the chair's recommendation, the student may bring the matter to the Dean of the College in which the department resides—again, in writing. The Dean will review the written appeal and consult with the chair, the classroom instructor, the advisor and the student, either individually or in a group as the Dean deems appropriate. If the student requests, and the Dean agrees, a Standards Committee will be formed by the Dean who will serve as chair of the committee. The membership of the committee is composed of all parties heretofore mentioned, as well as any other faculty members the Dean deems appropriate; no students other than the student making the complaint should be involved in any way. The Standards Committee hears the presentation of both parties. No legal representation or any other parties are allowed. After hearing both sides and after deliberation, at which time some parties may be excused from the room, the Committee, through the Dean serving as chair, will render a judgment as to what it advises should be done. The Committee has no coercive authority to force the change of a grade; the purpose of the process is to bring clarity to all sides and allow a thoughtful and informed response from the disputants. The hearing aspect of the Committee process serves to assure integrity in the assigning of grades to students by faculty. The hearing and the rendering of a judgment to advise is the end of the process and no appeals to change a grade should be made to the Provost or the President. If a student wishes to take the step of contacting the Provost (the President is not to be contacted in these matters), the Provost will make a judgment as to whether to accept the appeal. If the Provost does agree to hear the matter, he or she will only consider two allegations: 1) that the process itself is unfair; 2) that the student was not treated fairly in the process. The burden will be on the student to demonstrate with facts and evidence that the process or the treatment was unfair. To repeat, the Provost will not hear an appeal to change a grade. Depending on the Provost's findings, the matter may be returned to the Standards Committee for further review.

4. Throughout this process, if a student wishes to ask an HBU faculty member or an HBU administrator to serve as an advisor, that is permissible, but both the student and the advisor must make this fact known to all parties involved in the academic grievance process. At no time should any HBU employee advise a student anonymously or write an appeal document.

5. If a student questions any grade as recorded in the Registrar's Office, the student has a period of one (1) year beginning with the end of the term in which the grade was awarded, or six (6) months after the degree is conferred (whichever comes sooner), to challenge the accuracy of the grade.

Noise
In a community environment, the right to participate in or enjoy a particular activity ends when that activity or by-product infringes on the rights of others, particularly their right to sleep, study, or spend time in a peaceful setting. It expected that students be aware of how their actions may be affecting others and maintain reasonable noise levels 24 hours a day. Thus, music and noise may not be projected from residence hall rooms, classrooms, or vehicles to any other area of the building or to the outside of the building unless permission has been granted from the Office of University Events and Conferences or the Office of Student Life.

Search and Seizure
Institutional searches may be authorized by the Vice President of Student Life if there is reason to believe that it is more likely than not that items which are in violation of University policy (re. drugs, alcohol,
master keys, guns, weapons, stolen property, etc.) are present in a specified location. The University also reserves the right to use a search warrant issued by civil authorities if deemed necessary or appropriate.

**Sexual Harassment**

*What is sexual harassment?*

Sexual harassment is a form of discrimination in violation of Title VII of the Federal Civil Rights Acts of 1964. Such behavior has the potential of threatening an individual's academic performance, economic livelihood, career advancement, psychological and spiritual well-being, as well as Houston Baptist University community life. The Federal Equal Opportunity Commission guidelines clearly define sexual harassment:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

- submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment or academic advancement,
- submission to or rejection of such conduct by an individual is used as the basis for employment decisions or academic decisions affecting such individual,
- such conduct has the purpose or effect of unreasonably interfering with an individual's work or academic performance or creating an intimidating, hostile, or offensive working or learning environment.

Sexual harassment most often occurs in situations where one person abuses the power he or she has over another person, thereby violating the boundaries and trust implicit in that relationship. However, harassment can also occur between equals (i.e., student to student). Any member of the Houston Baptist University community is a possible victim of sexual harassment, although historically women are most often victimized.

**Sexual harassment can involve:**

- Professor and professor
- Professor and student
- Supervisor/superior and employee
- Employee and employee
- Student and student
- Other relationships among colleagues, peers, and co-workers

**Sexual harassment can take many forms:**

- **Verbal harassment** may include innuendo, humor, and jokes about sex or gender-specific traits and implied or blatant verbal threats.
- **Physical harassment** may include offensive contact (patting, pinching, brushing against the body, etc.), blocking movement, attempted or actual fondling or kissing, or any other form of coerced sexual contact. (A separate section on sexual assault follows the harassment information.)
- **Non-verbal harassment** may include insulting whistling, gestures, or leering.

**How to deal with a sexual harassment situation:**

HBU takes sexual harassment complaints by students, faculty, administration, and staff very seriously. Sexual harassment hurts our whole community when it occurs. In addition to violating the law as well as University policy, it violates the University goal of developing a community where relationships are based on trust and mutual respect.
Any student believing he/she is being harassed, or otherwise feeling in need of advice or support, is encouraged to immediately see one of the following people:

- Vice President of Student Life
- University Minister
- Director of Baptist Student Ministries
- Appropriate personnel in the Office of Human Resources

Faculty, administrators, and staff who believe they are being harassed or feeling in need of advice are encouraged to see the Director of Human Resources as soon as possible.

Students are encouraged to seek assistance even if they are unsure that what they are experiencing is sexual harassment. Do not allow sexual harassment to jeopardize your rights and opportunities as a student here at Houston Baptist University for work or education. The University wants to work with students to attempt to resolve sexual harassment issues but cannot do so unless reports are received by the appropriate personnel listed above.

Reprisals or retaliation towards any person for alleging sexual harassment or for filing a sexual harassment complaint or charge is illegal and a violation of University policy. Any person who retaliates against a complainant will be subject to disciplinary action up to and including, in the case of a student, expulsion, and in the case of an employee, termination of employment. Knowingly making false allegations of sexual harassment or providing evidence with the knowledge that it is false is also a violation of University policy and will subject a person to disciplinary action up to and including expulsion or dismissal. Those persons responsible for investigating and resolving complaints of sexual harassment will make reasonable efforts to protect the privacy of both the complainant and the respondent. All complaints of sexual harassment, investigation documents, and documents relative to the resolution of the complaint will remain confidential. In cases in which it is determined that sexual harassment occurred, the University will take appropriate action with or without concurrence from the complainant.

**Sexual Assault**

I. Statement of Purpose

The Houston Baptist University Sexual Assault Policy has been developed to ensure that a consistent procedure and coordination of University and community resources takes place when dealing with victims of sexual assault. The policy intends to meet the medical, legal, confidentiality, safety, and psychological needs of a victim and applies to both resident and off-campus students or visitors to the campus.

The policy also provides for pro-active measures and a structure that will deal with the prevention of sexual assault through educational programming as well as a continuing institutional dialogue to assess services for victims.

II. Definition of Terms

In dealing with the issue of sexual assault it is often helpful to define terms. The formal definition of rape is adapted from the *Textbook of Emergency Physicians*:

"Rape is the carnal knowledge, to a lesser or greater degree, of a victim without consent and by compulsion, through fear, force or fraud, singly or in combination. Thus there are three elements of rape:

- carnal knowledge,
• nonconsensual coitus, and
• compulsion.

Carnal knowledge can consist of anything from complete coitus to slight penile penetration of female genitalia irrespective of seminal emission. Non-consent must be an integral part of coitus unless the victim is a minor (under statutory age of consent), intoxicated, drugged, asleep, or mentally incompetent. Finally, there should be compulsion or fear of great harm, threats with real or alleged weapon, or use of threat of brute force. Any use of intimidation invalidates any consent on the victim’s part.”

In addition to rape, the spectrum of sexual assault for both men and women shall include but not be limited to the following unwanted acts: inappropriate disrobing and nudity; genital exposure; fondling of breasts or genitals; single or mutual masturbation; fellatio, cunnilingus and/or sodomy; and digital or object penetration of the anus and/or vagina.

III. Procedures:
The following procedures should be followed when dealing with victims of sexual assault. A detailed explanation of this step-by-step process follows.

Knowledge of Sexual Assault
Self-reported or via University service unit, individual faculty, staff, students and/or Community agencies.

Encourage Immediate Medical Attention to:
• Rape Crisis Program Hotline - 713-528-7273
• Memorial Hermann Southwest Hospital Emergency Room - 713-456-5000
• HBU Student Health
• HBU Campus Police

Notify Vice President of Student Life, Director of Baptist Student Ministries, your Resident Director, University Minister, or Police
Confidentiality insured and safety concerns addressed.

Campus Response/Coordination of Services
Any of the above listed personnel will notify appropriate officers, link students with necessary services and personnel and inform victim of his/her option to report incident to police and/or pursue campus judicial action.

Victim Follow-up
To ensure that needs are being met.

Immediate Medical Attention
Personnel receiving the sexual assault information will encourage the victim to seek immediate medical attention at Memorial Hermann Southwest Hospital Emergency Room and/or Rape Crises Program. Because of the extent of physical specimens required legally in cases of sexual assault, a complete and timely examination is necessary. If desired University Police will provide transportation to Memorial Hermann Southwest Hospital Emergency Room.

Appropriate Notification
Since initial information regarding a sexual assault may come forth from a variety of campus and community sources, it is necessary that the Vice President for Student Life, the Director of Baptist Student Ministries, or the Resident Director be notified and serve as the administrator charged with coordinating services. Exceptions to this notification process occur when the victim refuses to release information about the incident and/or is protected by the ethical and legal "confidentiality privilege"
afforded to the Health Services staff or the University Minister.

The victim will be assured that any referral will be confidential and is intended to help the victim meet his/her needs during this time of crisis. The victim will also be assured that he/she will be in control of decisions regarding formal charges and nothing "automatic" will take place by nature of being referred to the appropriate personnel listed above. This approach will hopefully reduce potential fear and anxiety levels about being referred to an administrative office and reinforce that this procedure is strictly enacted to assist the victim.

Further, the Vice President for Student Life will assist with arrangements for alternate housing if the victim feels his or her safety is in jeopardy. The Vice President for Student Life will be the University representative in discussions with parents and/or significant others when the victim so requests and in all cases in which a minor (person under 18 years of age) is involved.

**Campus Response/Coordination of Services**
The appropriate Student Life personnel listed previously, once informed about a sexual assault case, will work with the victim either directly or indirectly (via other University and/or community personnel) to link students with appropriate services. In order to provide a comprehensive approach to the victim’s needs the following departments will serve as the “front line” for sexual assault cases. The following is a listing of specific areas of responsibility and assistance they each have and/or can provide for the victim upon request.

- **Health Services** will contact the Memorial Hermann Southwest Hospital or the Rape Crisis Program Hotline for medical evaluation and treatment. The Student Health Clinic will make a referral for AIDS counseling and testing, treatment for positive cultures, supportive treatment for physical ailments resulting from abuse, pregnancy testing, and testing for sexually transmitted diseases as appropriate.
- **The Resident Director or University Minister** will provide referral resources for psychological assessment. If immediate attention is requested by the victim, he/she will be referred to Rape Crisis Program 713-528-7273, otherwise, guidance will be provided the next business day.
- **The University Police** will establish the date, time, and location of the alleged assault. The Police will conduct the preliminary investigation, including collection and verification of all available facts and circumstances and will contact the Houston Police Department based on the victim’s wishes. With the victim’s consent, the Vice President for Student Life will receive an incident report.
- **The Vice President for Student Life** will explain the campus disciplinary process options available through the Houston Baptist University Student Handbook and/or the formal criminal system. Assistance will be provided to HBU students who have been victims of sexual assault on another college campus including coordination with appropriate authorities at that location. In cases occurring off-campus, the appropriate Student Life personnel listed previously will maintain a liaison with the University Police and the Houston Police Department. Information regarding the University’s discipline process and criminal system is also available to the alleged perpetrator (assuming they have student status).

**Victim Follow-Up**
Shortly after initial contacts are made with the University personnel outlined in this document, the Vice President for Student Life or his/her designee will initiate a follow-up inquiry directly with the student or indirectly (if the student is still working with one of the services) to ascertain if the student has received or is receiving appropriate psychological, medical or general support attention.
IV. Assessment/Prevention
As needed, the Vice President for Student Life will convene a meeting of appropriate personnel to discuss sexual assaults and related campus violence incidents. The goals of this group would be:

- To evaluate procedures regarding cases of sexual assault and insure that victims’ needs are being met through proper institutional responses and delivery of services.
- To gather information on the frequency and nature of sexual assault cases/incidents on campus. The goal of gathering this information would be the assessment of the campus environment and the development of prevention efforts.
- To develop and coordinate educational programming efforts for a campus-wide approach to the prevention of sexual assault. Ongoing programs are encouraged and available to students throughout the year through the University Police, Student Health Office, Student Involvement Office, Residence Life Office, and Student Life Offices.

V. Houston Baptist University Enforcement
Specific disciplinary policies and procedures are outlined in the Code of Conduct section of "The Student Handbook." Houston Baptist University sanctions will be issued by the Vice President for Student Life. These sanctions, which also may be combined, include (1) expulsion from the University; (2) suspension from the University; (3) eviction from the Residence Colleges; (4) required evaluation/counseling; (5) disciplinary probation; (6) educational projects. In compliance with the Sexual Assault Victims Bill of Rights (July 23, 1992), both the accuser and the accused are entitled to be informed of the outcome of the hearing(s).

VI. Information on Registered Sex Offenders
Information regarding registered sex offenders provided by the State of Texas may be obtained directly from the State of Texas Department of Public Safety registered sex offenders website at http://records.txdps.state.tx.us/

Health

AIDS
AIDS is an acronym for Acquired Immunodeficiency Syndrome and is a disease caused by a virus that breaks down part of the body's immune system, impairing a person's natural defenses against a variety of illnesses, many life-threatening. HIV is a medical term for the virus that breaks down the body's immune system. HIV is found in many body fluids and secretions of people who are infected, but respected medical authorities have determined that its transmission is solely through blood, semen, and female genital secretions. Current medical knowledge indicates that students and employees with HIV infection do not pose a health risk to other students and employees in an academic setting. The Public Health Service states that there is no risk created by living in the same place as an infected person, casual kissing, or swimming in the same pool with an infected person.

There is as yet neither a vaccine to prevent HIV infection nor curative therapy for infected persons. Even though knowledge about limiting the consequences of established HIV infection is meager, what is presently known should be communicated through education consistent with the morals espoused by a Christian institution.

Policies Regarding HIV/AIDS
1. Individual Rights. The individual rights of all people in the Houston Baptist University Community shall be safeguarded. Therefore,

   a. the uninfected should be protected from undue risk of exposure to the disease,
b. the infected should be protected against prejudice and denial of the reasonable opportunity for an education at the University,
c. and the University condemns any and all actions of physical or emotional harassment toward the infected or those suspected of infection.

2. Policy Implementation - As stated above, current medical knowledge indicates that people with HIV infection do not pose a health risk to others in an academic setting. Therefore, until medical knowledge indicates a contrary conclusion, or unless health regulations or other laws require a different response, the policy of Houston Baptist University will conform to the following:

   a. Admissions. No otherwise qualified individual will, solely by reason of his or her HIV/AIDS status, be denied admission to the University.

   b. Attendance. Students with HIV/AIDS may attend regular classroom sessions. The University reserves the right to restrict a student on a case-by-case basis if a student has a contagious disease (including those associated with or arising from AIDS) or if the individual's behavior is disruptive or endangers the safety of health of other persons. Departments will establish safety guidelines for the handling of blood and bodily fluids in classroom settings in which analysis of these substances may be a part of the coursework, such as in nursing or biology classes.

   c. Access to University Housing and Facilities. Students with HIV/AIDS will have access to University housing and facilities. Restrictions will only be imposed on the basis of medical recommendations.

Alcohol Policy
Members of the HBU Community are expected to commit themselves to promoting a healthy social and academic environment where learning and campus life are not hindered by the misuse of alcohol and other drugs.

Possession, sale, or use of alcoholic beverages on campus or at University sponsored events or activities is strictly prohibited.

Evidence of use of alcohol, such as empty alcoholic beverage containers displayed in residents’ rooms or in a student’s possession is also prohibited.

Lighted beer signs or posters promoting the use of alcoholic beverages will not be permitted on campus. Any student who returns to campus while intoxicated shall be subject to full disciplinary action as outlined in The Student Handbook.

Culpability: As it is difficult to accurately determine degrees of culpability, all students present in a room or area at the time of the alcohol violation will generally be held responsible for such violation. Students are advised in advance to avoid such situations which may put them at risk of disciplinary action.

Health Risks
No printed lists or warning signs can replace talking with a professional in determining whether you or someone you care about has an alcohol problem. Such lists or warning signs can give you a sense of whether you should check out the possibility more thoroughly. The following are symptoms to watch for with respect to alcohol:

- Preoccupation with alcohol
- Increased tolerance of alcohol
• Physical deterioration
• Black-outs
• Morning tremors
• Large amounts of money spent on alcohol
• Consequences (suffering physical, social, occupational, and/or legal problems) as result of alcohol use

Drug Policy
HBU has a prime concern for the psychological and medical well-being of its students and employees and recognizes the problems created by the misuse of controlled substances. The University prohibits the possession, distribution, sale or use of controlled substances and all other drugs prohibited by state and federal law (i.e. marijuana, narcotics, barbiturates, hallucinogens or amphetamines). The University also prohibits the possession of drug paraphernalia (i.e. bongs, one hitters, pipes, clips, etc.).

Students who violate this policy are subject to disciplinary action by the University and/or criminal prosecution under State and Federal law.

Sale - When, in the opinion of the Vice President for Student Life/Director of Residential Life, there is sufficient and credible information that a student is or has been trafficking in controlled drugs, the student will be asked to withdraw from the University. A student who chooses not to withdraw will be temporarily suspended by the Vice President for Student Life/Director of Residential Life (further action as described in the Student Code of Conduct section).

Use - Students are urged to seek help for themselves or on the behalf of others in any matter of drug use; if, in the judgment of the Vice President for Student Life/Director of Residential Life, the welfare of the HBU campus community requires that the student receive help either on or off campus, he or she may be required to do so as a disciplinary sanction at his or her expense. (See below).

Culpability - As it is difficult to accurately determine degrees of culpability, all students present in a room or area at the time of the drug violation will generally be held responsible for such violation. Students are advised in advance to avoid such situations which may put them at risk of disciplinary action.

The Law
Possession, manufacture, sale, and distribution of controlled substances are illegal under both state and federal law. Giving marijuana or other drugs free of charge to friends has been interpreted in some court cases to be the same as sale or distribution. There are generally more severe sanctions given for repeat offenders. Possession of drugs in large amounts may be viewed by the courts as possession with the intent to sell.

Sanctions
A drug offense under Texas or Federal Law can be a misdemeanor or a felony depending on the charge and the amount of drugs involved. In either case, a criminal record will very likely hamper a person’s chances of gaining admission to another school or securing future employment.
Court imposed penalties for a first offense for possession, distribution, or use of drugs depend upon the circumstances of the case.

Texas has some of the harshest penalties for drug possession. Possession of marijuana may be classified as light as a “Class B” misdemeanor, carrying a sentence of up to 180 days in jail and/or a fine of no more than $10,000 for possession of two ounces or less of marijuana. This penalty can go all the way up to life in prison and a fine of up to $50,000 for possession of over 2,000 pounds of marijuana.

As for drugs in other classes, the penalty for possession is at the very least a “Class B” misdemeanor, or a “Class A” misdemeanor, which carries a penalty of up to one year in county jail and/or a fine of no more than $4,000, depending on the type of drug at issue. Depending on the amount of the illicit drug in the defendant’s possession, the penalty can range from a third degree felony all the way up to a first degree felony. The highest penalty given in Texas for drug possession is life or 99 years in prison and/or a fine of up to $250,000.

HBU sanctions will be issued by the appropriate Disciplinary Body. These sanctions, which also may be combined, include: (1) expulsion from the University; (2) suspension from the University; (3) eviction from Residence Colleges; (4) required evaluation/counseling; (5) disciplinary probation; (6) fines $50 to $250; and (7) educational projects.

Federal Government guidelines state that anyone receiving Federal Financial Aid (Pell Grants) who is convicted of violating established Federal or State controlled substance laws may lose his or her financial aid.

Health Risks

A. Cocaine and Crack

Cocaine (especially in “crack form”) is one of the most addictive drugs. Crack addiction can become apparent within a matter of weeks. Some crack users have reported becoming addicted after their first use. Cocaine can be extremely harmful to the hearing and can cause death. It also has been linked to birth defects. A person coming down from a cocaine high often experiences feelings of paranoia, irritability and extreme depression. To compensate for these feelings, the user will often drink large amounts of alcohol.

B. Hallucinogens

- With LSD, there is the risk of flashbacks or repeat experiences of the LSD trip without taking the drug. Effects on the user’s body can include high blood pressure, faster heartbeat, weakness, vomiting, trembling, hyper-ventilation, and slowing down of motor functions. A “bad trip” on hallucinogens (LSD) can consist of loss of boundaries, paranoid feelings, extreme anxiety, panic, and in extreme cases, a psychotic reaction.
- Psilocybin (Mushrooms). There are a number of plants which have LSD-like effects which come under this category. These plants are generally dried and then eaten. Mescaline, also considered a “mushroom,” comes from the top of the peyote cactus.

Psilocybin can cause dizziness, light headedness, upset stomach, vomiting, shivering, facial flushing, sweating and fatigue. With mescaline, nausea and vomiting usually occur; large doses may produce low blood pressure, cardiac depression, shallowness of breath, and headache.

C. Marijuana (Cannabis)

Marijuana impairs the user’s ability to perform motor tasks such as driving a car. It impairs short-term memory and logical thinking and has also been linked to birth defects. Large doses can lead to symptoms
similar to those of hallucinogens. The user may experience confusion, restlessness, hallucinations, paranoia, anxiety, or psychotic episodes. Heavy users may experience problems with sequencing ability in the brain and loss of time sense, depth perception, memory storage, and recall. Long-term use has been associated with low sperm count in males and irregularities in menstruation and ovulation in females.

D. Amphetamines (Stimulants)
Amphetamines can cause increased alertness, euphoria, increased blood pressure, and insomnia. In cases of overdose, agitation, increase of body temperature, hallucinations, convulsions, and in some cases death may occur. A person experiencing withdrawal or "coming down" will likely be apathetic, irritable, depressed, and disoriented. Long periods of sleep are also part of amphetamine withdrawal.

E. Narcotics
Some of the more common narcotics include opium, morphine, heroin, and methadone. Narcotics may cause euphoria, drowsiness, respiratory depression, constricted pupils, and nausea. In cases of overdose, the person may experience slow and shallow breathing, clammy skin, coma, and possibly death. Someone experiencing withdrawal or "coming down" may demonstrate watery eyes, runny nose, yawning, loss of appetite, irritability, tremors, panic, cramps, nausea, chills, and sweating.

F. Depressants

Residence Life

Purpose Statement
Living on campus is a significant part of the overall college experience and educational process. Living-learning environments provide opportunities to grow spiritually, develop interpersonal skills, increase understanding of diverse cultures, and learn self-discipline in organizing time for study, work, and social activities. Residential students learn independent responsibility while living among friends and peers. As stated in the HBU Vision document, www.hbu.edu/tenpillars:

Pillar Four: Establish a Residential Society of Learning...

You shall love the Lord your God with all your heart and with all your soul and with all your mind.
Matthew 22:37 (NASB) If you look at the architecture of the most venerable European foundations, you see that they were designed for communal practices, a shared life—refectories for common meals, residences, libraries, and lecture halls sharing the quad. A college was a communion and a community, a society of learners. Darryl Tippens, [i] Pepperdine University

When students live together in addition to taking courses together, the learning extends beyond the classroom into the rest of the campus. Professors teach the students, but students also teach each other by sharing their own understanding of what they learned during a lecture or a debate between classmates. The students have the capacity to spur each other on to deeper thought about the material they study in common. In this way, the work of teaching and learning integrates itself into the lives of the students. They stay in the place where learning occurs and are constantly inspired to think about what they are studying. The same dynamics apply to their spiritual formation. Living together in a community that consciously seeks to follow Christ as a model helps students take their faith seriously. The campus becomes infused with a combination of scholarship, friendship, and Christian fellowship. Students live and study on the same ground. That unique combination is what inspires alumni of many universities to develop powerful bonds to their institutions. Their colleges and their related communities of learning and residence become woven into the tapestries of their lives. They are excited to return and to send their children to the same place to have the same experience.

Living Areas
Students live in the following living areas:
Freshman Village (FV) - Freshmen
Hodo Residence College (HRC) - Sophomores, Juniors, and Seniors
Husky Village Apartments (HV) - Juniors and Seniors

Residence Life Staff
The Residence Life staff is committed to providing an atmosphere of learning and growth that will facilitate a holistic experience in the context of university community. Residence Life professional staff, Resident Directors (RD) and Resident Assistants (RA) work together in developing a community conducive to student growth -- spiritually, academically, physically, and socially.

Residence Life Expectations
Because of the University’s commitment to the residential experience, students are required to live on campus unless one or more of the following exceptions apply:
• 21 years of age or older prior to September 1
• Completed 64 credits prior to the beginning of Fall Semester
• Married
• Graduate student
• Part-time student
• Living at home with parents/guardians in the Houston area (more than 50 miles away from campus)

Any student who does not meet these criteria and desires to live off campus must appeal to do so. The appeal form is available in the HBU Residence Life Office or e-mail reslife@hbu.edu.

In the event that a resident needs to alter his/her meal plan, a meal plan change form may be obtained in the HBU Residence Life Office. Meal plan changes are only allowed during the first two weeks of each term.

Residence Life Appeal Process - Approved appeals are rare since the policies and procedures that govern Residence Life must be consistent for all residents. Resident may appeal the Residence Life Agreement by submitting a written appeal form. Students may contact Residence Life for more information. The student is responsible for the full terms of the Residence Life Agreement during the appeal process.

Housing Assignment - All students will receive a notice via e-mail to their University account confirming their move-in date and roommate assignment.

Keys - Each resident is provided keys to access his/her room upon checking in.
- Lost keys should be reported to the RA or Residence Life Office immediately.

Room or Apartment Transfers - The following guidelines apply to all room/apartment changes:

- Residents may fill out a room assignment change form obtained from the Residence Life Office.
- A resident moving without receiving approval may be sanctioned and required to pay a fine.
Residence College Holidays and Semester Breaks - The Residence College will close at 5:00 p.m. the last day of classes for vacations, semester breaks, and the last day of final examinations at the end of each term. Residence Colleges will open at 1:00 p.m. the day before classes begin each term and following all vacation periods. If a resident needs housing between semesters or during breaks, they must submit an appeal in writing, at least two weeks in advance, to the Residence Life Office, stating the exact dates they want to stay and why. Break appeals will be granted only in special circumstances as determined by HBU Residence Life. Break appeals must be approved or the resident will be required to move out during the break. HBU assumes no responsibility for housing and meals for students when the Residence Colleges are closed. There are no appeals for the summer break. Housing is not available between the end of Spring term and start of Summer terms.

- When a student is moving out, it is his or her responsibility to set up a time with his/her Resident Assistant to check out. A walk-through must be scheduled with Residence Life staff prior to move out.
- Failure to clean, damaged/missing appliances/furniture, and leaving items behind will result in applicable charges to complete such cleaning, repair, replacement or removal of items. HBU Operations may assess damage and/or cleaning fees when applicable.
- When a resident leaves, whether at or prior to the ending date of his or her agreement the common areas must be cleaned. These areas include, but are not limited to the windows, bathroom, patios, balconies, kitchen appliances, and the living room. The final determination of damage charges will be made by management staff that may not inspect the room or apartment until after the student has moved out.

Emergencies
All emergencies should be reported immediately to the University Police. Please call the University Police at 281-649-

   - vacate the building as quickly and safely as possible by the nearest accessible exit, and
   - if you encounter smoke while exiting, keep as low to the floor as possible. NOTE: If your door or doorknob is hot, do not attempt to leave your room. Keep your door closed. Place a blanket or towel along the bottom of the door to keep smoke out of the room. If a window is available, hang something out of it and shout for help to attract attention.

4. **After Vacating the Building:**
   - leave the immediate area of the building, and
   - remain in the designated evacuation location, and at least 100 feet away from the building, until you receive further instructions from emergency personnel and/or staff members.

**Policies**

**Visitation Policy**
Visitation policies have been established in each Housing Area in order to create a healthy, safe living environment for all residents.

**Overnight guests of the same sex** may not stay more than two consecutive nights or more than four nights in a month. Overnight guests of the same sex are allowed only with the approval of all roommates. Guests of the opposite sex are not allowed to stay past established visitation hours.

**Residence College**
- All visitors must leave photo identification at the front desk when they sign in and must be escorted by a resident.
- The resident is responsible for the behavior of his/her guest.

NOTE: Tampering with fire equipment, smoke detectors, and/or sounding a false fire alarm is against the law. Violators will face a Disciplinary Hearing and could be referred to the civil authorities. If found guilty violators could be fined up to $500 and dismissed from campus housing.
• All visitor-occupied rooms must have room doors fully open.
• All visitor-occupied rooms must have lights on.
• Guests of the opposite sex are prohibited from showering in the residents' bathrooms. Guest bathrooms are provided in the lobby of each Residence College.
• Resident Assistants (RAs) will monitor visitation during rounds.

**Visitation of the opposite sex** - The Residence Colleges (FV & HRC) have established visiting hours for members of the opposite sex as follows:

<table>
<thead>
<tr>
<th>Day</th>
<th>Time</th>
</tr>
</thead>
<tbody>
<tr>
<td>Monday-Thursday</td>
<td>1:00 p.m. to 10:00 p.m.</td>
</tr>
<tr>
<td>Friday</td>
<td>1:00 p.m. to 12:00 a.m.</td>
</tr>
<tr>

</tr>
<tr>
<td>Sunday</td>
<td>1:00 p.m. to 10:00 p.m.</td>
</tr>
</tbody>
</table>

Visitation of the same sex may take place in the Residence Colleges anytime they are open. The visitor must show his/her HBU ID or sign in with a resident and present an off-campus ID. Same-sex guests who stay after 12:00 a.m. will be considered overnight guests and must be registered with the RA on duty. Residents may contact the RA on call to register overnight guests.

**No visitation during breaks** - During the University breaks, there will be no one allowed into the building except with advance permission of the Resident Director.

**Husky Village**
Visitors of the opposite sex are permitted between the hours of 12 p.m. and 1:00 a.m. daily.

**Facility Policies**

**Antenna Hookups** - Individual outdoor antenna or satellite hookups are not permitted.

**Barbecue Grills** - Fire codes prohibit the storage or use of barbecue grills on the sidewalks in front of each building and on the unit patios and balconies. Students should use the community grills provided. Please leave the equipment, grills, and area clean for the next person. Flammable liquids may not be stored in rooms or apartments.

**Bicycles** - Bicycles must be stored in the outdoor bike racks or in an individual's room. Bicycles may not be stored in hallways or access areas. Do not chain bicycles to trees or fences. If a bicycle is kept on the property, it is at the individual's sole risk of loss or damage. Abandoned bicycles will be thrown away at the end of the Spring term.

**Cafeteria Dishes** - All cafeteria dishes (plastic tumbler glasses, hot drink mugs, silverware, plates, bowls, utensils, etc.) must remain in the cafeteria.

**Cleanliness** - Residents must maintain their apartment/room in a clean, orderly, and sanitary condition at all times. Unclean conditions may create an unhealthy environment for roommates and/or neighbors. All residents are responsible for the cleanliness of their respective common area(s). If the maintenance staff must clean an apartment to assure sanitary conditions, the responsible resident will be required to pay for the cleaning or repair.

**Common Areas** - Residents are expected to use common sense and consideration for others when
using these facilities. Use of the common areas is a privilege that can be withdrawn for any reason. Do not make loud noise or play music in the courtyard, clubhouse, pool area, or other common areas. Residents and their guests are required to follow the posted rules and regulations.

**Common Area Damage** - Residents of a wing, hall, or building are jointly responsible for the care, cleanliness, and protection of common areas. Damages may be charged to students of that suite area, apartment, or residents of the entire building if assessment to specific individuals cannot be determined.

**Common Area Furniture** - Public or common area furnishings or equipment must remain in those areas.

**Decorations** - Personal decorations are not to be displayed publicly except on the Residence Hall room door. Aluminum foil may not be placed in windows as insulation or decoration. Decorations inside the room or apartment must comply with other stated guidelines and be consistent with the morally conservative environment of the University. All decorations should be temporary in nature so as to not permanently deface or cause damage. Posters and other wall decorations are only permitted to be hung with tape that will not damage painted wall surfaces. No wall papering or painting is permitted. Residence Life has the authority to take down all decorations.

**Fire Hazards** - Because of the potential for accidents or fires, the following regulations must be observed:

- no open flames (candles, Sterno, liquid fuel, etc.);
- no incense;
- no hot plates;
- no halogen lamps; only UL approved, or listed, electrical lights or extension cords may be used;
- lights are not to be placed around doors or windows with the power line passing through the doorway or window frame to an outlet;
- no multiple-outlet, “octopus” plugs in your room or apartment unless they have a self-contained circuit breaker; only artificial trees are permitted in students' rooms; decorations may not obstruct an exit;
- do not hang anything from sprinkler heads; and
- all decorations used on the inside of the University building must be flameproof or flame retardant.

**Husky Village Patios and Balconies** - Keep patios and balconies clean and uncluttered at all times. Only appropriate patio furnishings should be used. Do not dry clothing or linens or store personal items on patios or balconies at any time, including but not limited to boxes, tires, recyclables, and/or broken furniture. No HBU apartment furniture is allowed to be used outside the apartment.

**Motorcycles** - Motorcycles and all other motorized two or three-wheeled vehicles must be licensed for operation on public roadways and must be registered at the University Police Department. These types of vehicles may not be allowed on the property. However, if permitted, the vehicle must be parked in a parking space.

**Parking Areas and Permits** - All vehicles operated on the University property must be registered at the University Police Department. A resident may have one vehicle registered in his or her name or his or her parent's name parked on-site at any time. Commercial vehicles, boats, campers, trailers or large recreational vehicles may not be stored on the property, even temporarily, without prior written permission. All vehicles that have not been properly registered may be towed at the owner's expense. Vehicles may not be maintained, repaired, or washed on the property.

**Pets** - For health and sanitation reasons, students may not keep any pets. Mammals, reptiles, insects, and fish of any kind are prohibited.

**Residence College Courtyards** - The courtyards are for community use. Please do not leave personal property in the courtyard area or common walkways.
Room Furniture - University furniture in a given room must remain in that room. Residents are responsible for all University property assigned to their rooms and will be billed at the end of the semester/academic year for missing or disassembled items.

Street Signs - Municipal signs (stop, yield, street, interstate, etc.) are not allowed in campus housing.

Thermostats - Each room/suite/apartment has a thermostat that controls the inside air temperature. The thermostat setting must be maintained at a reasonable temperature. Residents should not set the thermostat below 70 degrees for cooling or above 82 degrees for heating. Moderate temperature settings help to ensure constant function and help to save energy.

Trash - All trash must be deposited by residents in provided trash barrels and dumpsters. Failure to deposit trash in the appropriate place may result in fines.

HBU Community Guidelines

Alcohol Policy - Possession or consumption of alcohol is not permitted anywhere on campus. Alcohol-related conduct that ignores the rights of others to a quiet, orderly living environment is not acceptable. Alcohol containers, full or empty, are not allowed in student rooms/apartments.

Chronic Misbehavior - A student establishes an unacceptable pattern of misconduct when he or she is frequently in trouble, though individual offenses might be minor. A pattern of recalcitrance, irresponsible conduct, or manifest immaturity may be interpreted as a significant disciplinary problem.

Drugs and Illegal Substances - Use, possession, and/or distribution of drugs and/or illegal substances is strictly prohibited and may result in eviction from campus and referral to the University conduct officer and/or law enforcement agencies. This includes possession of any drug paraphernalia.

Failure to Comply - Students must comply with all written and verbal requests and instructions from University officials. This includes requests to produce valid identification. Failure to comply may result in disciplinary action and/or fine.

Firearms/Weapons - Firearms and other weapons are not allowed on the property. All students and their guests must comply with all federal, state, local and University laws and regulations pertaining to all weapons including, without limitation, explosives, bows and arrows, illegal knives, martial arts weapons, air rifles, BB guns, or any other object that can be construed as a weapon.

Implied Consent - All students in a room/area will be held responsible for the behavior/objects in that room or area. In addition, residents who are not observed participating in misbehavior or in possession of inappropriate items/objects, but are in the presence of a policy violation, may be held responsible. This is called "Implied Consent." If a resident is present, he/she will be held responsible unless it can be clearly demonstrated that he/she had no knowledge of the violation.

Loss of Property - The University assumes no responsibility for damages and/or loss of personal property due to theft, fire, destruction, acts of God, etc. Students are advised to check with their parents/guardians regarding their insurance coverage. Students are encouraged to get renters' insurance and may contact the HBU Residence Life Office for options. Students are reminded that any belongings left in campus housing after moving out will be disposed of by the University at the resident's expense.

Minor Children - Residents are required to supervise at all times any guests on the property who are minor children. Babysitting is not permitted in any on-campus housing. With the exception of family
housing, guests under the age of 16 are not allowed to stay overnight.

**Noise Policy** - Residents and their guests must respect the rights of others at all times by behaving in a manner that is conducive to sleeping and studying. High volume sounds from home and car stereos, televisions, electrical instruments, and such are not permitted. Residents are expected to show consideration and courtesy to others at all times.

**Quiet Hours** - In order to meet the many requests of resident students for a better living and learning environment on campus, the hours between 10:00 p.m. to 10:00 a.m. have been set aside as quiet hours for residents to relax, study, and sleep.

**Posting** - All signs and posters must be pre-approved by the HBU Student Life Office before being posted. If approved, posters, signs, and other items will be posted in designated areas.

**Roommate and Neighbor Conflict Resolution** - All residents agree to abide by the following process:

1. The complaining resident will discuss the problem with an RA/RD; the staff will give tips on how to talk with the roommate/neighbor; the complaining resident will address the concern directly with the roommate/neighbor.
2. HBU staff will follow up with the complaining resident. If the problem remains, a resolution meeting will be held among roommates/neighbors and staff. A written roommate/neighbor agreement may be formulated to help arrive at resolution.
3. HBU staff will follow-up and revise the roommate/neighbor agreement if needed.

Only after the staff feels that the roommate/neighbor resolution process has been given full opportunity to resolve the issue will changes in room or apartment assignments be considered. Failure to get along with roommates/neighbors is not grounds for cancellation of a Residence Life Agreement.

**Solicitation** - No student is to permit his or her room to be used for any commercial purpose. Soliciting in the Residence Colleges or on University grounds is forbidden without the expressed written permission of the Vice President of Student Life. Campus organizations must obtain permission from Residence Life in order conduct meetings in campus housing areas.

**Smoking** - HBU is a smoke-free campus. Smoking is prohibited anywhere on University premises except for the confines of private vehicles.

**Verbal and/or Physical Abuse** - Residents and guests are to treat all neighbors, apartment mates, visitors, Residence Life staff, and other University officials with courtesy and respect. Verbal abuse will not be allowed, including swearing, name-calling, or any other language offensive or demeaning to the person. Physical violence of any type will not be tolerated.

**Windows** - Students are prohibited from entering or exiting rooms or buildings through the windows.
Safety

University Police

It is the desire of the University to provide a safe and peaceful campus, free from fear or concern for one's personal safety. Although this is a challenge in today's society, the campus police are well-equipped to meet this and other challenges.

The Police Department in and of itself cannot guarantee every person's safety. It requires the combined efforts of a professional police team along with the awareness and concern of all members in the University community. One of the major functions of the officers is to patrol the University campus 24 hours per day, seven days per week. Numerous Emergency Call Boxes, which ring directly to the University Police Department, are located around campus.

Another tool which is absolutely essential in order to maintain peace and safety on campus is the personal awareness of every member of the University community. It is essential that you remain aware of your surroundings and report any unusual or suspicious activity. The officers would much rather respond to a call that proved to be a non-incident, than to write an incident report after a situation occurs in which they had no opportunity to intervene.

Functions of the University Police include, but are not limited to:
- Responding to call boxes
- Investigating all crimes reported on campus
- Patrolling
- Enforcement of local and state laws
- Crime prevention
- Parking permits and enforcement
- After-hours gate access

The officers of the Houston Baptist University Police Department are highly committed to this University and to maintaining the safety of every person. They take a personal interest in each and every person. Please help them help you.

How you can help:
- Report any suspicious activity by calling the University Police Department at extension 3911 or 281-649-3911, call on the Emergency Call Boxes, or stop by the Police Department.
- Allow the Police to be of service to you. Please call if you have a concern or desire a police escort to your vehicle or Residence College, especially at night.
- If you have fears for your personal safety or that of your personal property, talk to the Police Department.
- Take advantage of the crime prevention presentations given on campus. Call the University Police at 281-649-3314 for the time and location of the next presentation.
- If there is an emergency, remain as calm as possible, call ext. 3911, and give the dispatcher the facts as completely as possible. Make sure you give your name, location, and the nature of the emergency. Don't hang up when the conversation is over: wait until the dispatcher hangs up. Remain calm and encourage others to remain calm.
- Report any theft, no matter how minor, to the Police Department.
- Read, understand, and abide by the parking and vehicle regulations. More than anything, they are written to protect you and your property.
- Communicate with the Police.
Campus Call Boxes
HBU’s security system includes numerous emergency call boxes located in different areas on campus. They are generally identified by a blue light on top. These call boxes are available in an emergency situation. As soon as the button on the call box is PUSHED, the University Police are alerted and will respond through the speaker on the call box.

To REPORT ALL EMERGENCIES (including medical) CALL EXT. 3911 on a campus telephone, or DIAL (281) 649-3911.

- Police Non-Emergency Line (281) 649-3314 (ext.3314 on campus)
- Houston Baptist University Switchboard (281) 649-3000
- Emergency Call Boxes are equipped with video surveillance which are located in various areas throughout the campus.

Medical Emergencies
Should you have any type of medical emergency on campus, call (281-649-3911) ext. 3911 immediately. HBU has trained officers to provide the quickest and most appropriate attention until the paramedics arrive. Contacting the Houston Fire Department or the University Clinic directly will only delay medical attention. Please call 3911 for any emergency.

HBU Alert & Emergency Preparedness
Houston Baptist University strives to create a safe and secure learning and living environment on our campus. It requires the combined efforts of a professional police team along with the awareness and concern of all members in the University community.

The HBU Alert System
HBU has implemented an important communication tool for students, faculty and staff. The HBU Alert System can provide quick voice or text messaging to local or cell phones as well as through HBU email accounts in the event of a campus emergency. Standard messaging rates may apply.

- Opting out of notification services - Anyone may opt out of SMS (text) messaging by responding to the text message as directed or by texting “STOP” or “QUIT” to 23177. Students, faculty and staff may not opt out of email notification through your university-hosted email (name@hbu.edu). If you are not associated with HBU in any manner, please notify the Registrar’s Office. Include the phone number and/or email address that received the notification that should be removed from our notices.
- Changing/updating notification settings:
  o Students: Make sure that your contact information is up-to-date and then follow these instructions.
  o Faculty and Staff: Make sure that your contact information is up-to-date then follow these instructions.
  o Alumni, Parents, those no longer attending HBU or are not associated with HBU: Report all address and phone number changes to the Registrar’s Office.
• **Campus phones vs. cell phones** - The University phone system can only handle a limited number of simultaneous incoming calls. Therefore, cell phones may receive an alert prior to campus phones.

• **Replaying the message** - While on the call, you can replay the message by pressing the star (*) key at the end of the message. You may also check your email to locate a link to the message.

• **Caller ID** - When HBU sends a call out using the HBU Alert System, it will always display the University's main switchboard number as the Caller ID. Please do not call the main university switchboard when you receive a message. Instead, visit this page at [hbu.edu/alert](http://hbu.edu/alert) for more information on the situation.

• **Responding to busy signals or no-answer situations** - For busy signals, the call will be repeated several times in an attempt to reach you. The same is true for no-answer calls and call waiting. If the call goes to a voicemail box, a message will be left. If after several attempts the call does not successfully go through, the system will stop attempting and report your number to be busy.

• **Emergency contact information will not be published or shared.**

• **Send questions and comments** to HBUAlert@hbu.edu.

Phone numbers are taken from information provided through HuskyNet, so it is important that students provide the University with up-to-date contact information. To view contact information students should read the directions at [www.hbu.edu/alert](http://www.hbu.edu/alert). In the event of an emergency, the University will also utilize the following communication outlets:

• **The University Portal**: Emergency information will also be posted for internal audiences at [my.hbu.edu](http://my.hbu.edu), the University portal.

• **Local news and radio**: HBU will communicate with local news outlets in order to quickly disseminate news and information. Key media outlets include KHOU (11), KPRC (2), KTRK (13), KRIV (Fox), Univision (45), and KTRH Radio (740 AM, Houston's official Emergency Broadcasting station), as well as the Houston Chronicle website.

• **[www.school-alerts.com](http://www.school-alerts.com)**: This Houston website carries emergency notifications for all local public and private schools. You may visit their website to receive notifications of school emergencies including school closings, delayed openings, early dismissals, reopening announcements, shelter in place announcements, and other special alerts.

**Parking**

**General Regulations**

Houston Baptist University has adopted a parking and traffic program to create an orderly traffic flow and equitable parking conditions on campus. Your personal safety, the recognition of the needs of others, campus appearance, and applicable laws were considerations in the formulation of these regulations. The program is administered by the Houston Baptist University Police Department. Every vehicle on campus must be registered. Short-term registration is available through the University Police Department.

Possession of a parking permit is not a guarantee of a parking place in a specific lot. To park on University property you must have a permit. You may park only where your permit allows. A faculty/staff permit allows you to park in any available, unassigned space. Parking regulations are enforced Monday-Friday from 6 a.m. to 8 p.m.

Visitor parking is available in several locations. Failure to display either a permanent or temporary permit
does not allow parking in visitor places. License plate numbers of vehicles parked in visitor parking will be monitored and citations for parking in a visitor space and failure to secure a parking permit will be issued to vehicles belonging to students or their families.

Handicapped parking is available in designated parking spaces. Parking in handicap parking places is not allowed without the handicap permit. A University permit is also required where the vehicle is issued special handicap identification by the state.

No Parking Areas include the loading dock behind the M.D. Anderson Student Center, fire lanes, no parking zones, the grass, sidewalks, along curbs or any spot that would disrupt pedestrian or vehicular traffic.

Emergency Call Boxes are located in various areas throughout the campus. The emergency call boxes are used for emergencies as well as for auto assistance. All cameras are being monitored by the Houston Baptist University Police Department. For assistance, please call ext. 3314. Only construction personnel may park in construction areas.

**Vehicle Registration**

Anyone (except visitors) who operates a motor vehicle on Houston Baptist University property must register that vehicle. Motorized wheelchairs and authorized University vehicles and equipment are exempt.

**Special Areas**

- **Sharp Gym** - Parking is restricted to special permits issued by the Athletic Director. All others are subject to towing.
- **Glasscock Center** - Parking behind the Glasscock is restricted to maintenance personnel only. All others are subject to towing.

Spiritual Life

In fulfilling the Spiritual Life Mission Statement we seek to foster Christian community life and worship by creating experiences for students, faculty, and staff in spiritual formation that will support the integration of faith and learning. The theme for 2015-2016 is "Love God-Love Others," Matthew 22:37-39: "Jesus replied, 'Love the Lord your God with all your heart and with all your soul and with all your mind. This is the first and greatest commandment. And the second is like it: Love your neighbor as yourself.'"

The Spiritual Life Department includes the Community Life and Worship Program, Baptist Student Ministries, and Prayer Ministries. Contact the Spiritual Life staff or visit the Spiritual Life Office, located on the second floor of the Baugh Center.

Covenant Fellows Program
This program requires application for admission. Applications are received each spring for the following academic year. Participants receive an annual scholarship. More details on criteria for involvement as well as aspects of the program are available on the website, www.HBU.edu/CovenantFellowsProgram.

HBU covenants with our students and with local churches to provide educational and professional experiences that will prove beneficial to both those studying in the program and those churches supporting and employing our ministerial students. For more information contact Mark Warrington, Baptist Student Ministries Director, at 281-649-3223.

**Church Leadership Internships (CLI)**
The CLI is an internship for those students who want to be in leadership in their local Christian church. The Spiritual Life office would like to be a part of mentoring and celebrating the gifts of our students in the ministry settings that God has placed on their lives. The definition of leadership for this internship consists of one who guides, directs, and/or presides over an activity, program or group of people. Students participating in this internship will complete 30 hours of service in one semester at one Christian ministry site. Components of this leadership opportunity include a written proposal, an on-site supervisor and accountability group, and a final reflection paper. The CLI may not be used in conjunction with meeting academic requirements and/or receiving monetary compensation. Upon satisfactory completion of all requirements, students receive 20 CLW credits.

A student may complete one CLI and SLI in their career as a student at HBU. In addition to completing
either the SLI or CLI, a student is able to receive the maximum 20 CLW credits per semester through the other scheduled CLW opportunities. Interested students can contact Pam Netter.

Personnel
The Clinic staff are licensed medical personnel contracted through Memorial Hermann Hospital System. Student Health Services is under the purview of the Vice President of Student Life.

Students are expected to present a valid HBU student ID card in order to qualify for services. A nominal fee will be assessed for services rendered. The current fee schedule is posted outside the Student Health Services Office and is subject to change. Services include, but are not limited to:

- Comprehensive physical examination
- Immunizations and tuberculosis (TB) screening
- Administration of allergy shots as requested

Information Technology Services

Computer Use Policy
See Policies section of the Student Handbook.

Computer Labs
HBU offers a supervised walk-up lab available to all students. It is located in Atwood II, room 101. You must be a currently enrolled HBU student to use the computer lab. Guests and/or children are not allowed to accompany students into the lab.

Equipment:
- Computers
- MS-Office (Word, Excel, Access, PowerPoint)
- Internet connectivity
- Special software requested by professors.

Email
All students are provided an HBU e-mail account once admitted to the university. This then becomes the main means of communicating official HBU business. It is imperative that students check their HBU e-mail on a routine basis. Failure to read an email will not be an excuse for missing deadlines and other important expectations placed on students. For assistance with e-mail, including directions on how to point your HBU e-mail to another e-mail account, contact the ITS Help Desk at www.hbu.edu/its.

HuskyNet
HuskyNet is our web-based interface found in the HBU Portal (MY.hbu.edu) used by students to check and update their personal information (addresses, phone numbers, etc.) or to access various tools, such as registration and add/drop classes, advising, view academic status, class schedules, grades, non-official transcripts, view financial account information and accept/decline financial aid awards, and more. The majority of students, faculty and staff will have most of their needs met through these self-service tools. For complete information on all of the services available through Information Technology Services go to www.hbu.edu/its.
Student Code of Conduct

Preamble

Philosophical Approach

Houston Baptist University has chosen to set itself apart for the purpose of preparing students for meaningful lives and work and for service to God and the peoples of the world. The University is dedicated to the development of moral character, the enrichment of spiritual lives, and the perpetuation of growth in Christian ideals. Spiritual maturity, strength of character, and moral virtue are considered foundational for successful living. The University shall stand as a witness for Jesus Christ expressed directly through its administration, faculty, and students.

Students, by their voluntary membership in this Christian community, assume responsibility to abide by all the standards, rules, and regulations of the University, as well as to use personal discretion involving any activities which may be morally or spiritually destructive or reflect poorly on the campus community. All members of the campus community share mutual responsibility for confronting actions that violate established standards for conduct or reflect poorly on the University. It is essential that this confrontation is exercised in a spirit of love and gentleness—a hallmark characteristic of biblical Christianity.

The Student Code of Conduct serves the educational mission of the University in achieving the aforementioned objectives. Community standards, policies and regulations, and the Student Conduct System are in place for the expressed purpose of moving students towards personal maturity and creating an environment that is conducive to academic learning, personal development, and spiritual growth.

The Student Conduct System is an educational and restorative process, not a legal proceeding. The process always attempts to confront misconduct in an educative posture that the student might learn from the experience, respond to the correction, and be reconciled to the community whenever possible. The conduct system provides University personnel opportunities to educate students and to help them attain better decision-making, character formation, and spiritual maturity. The effectiveness of these teachable moments requires that each student be treated with equal care, concern, honor, fairness, and dignity.

Article II: Student Conduct Authority

A. Authority and Responsibility
The Vice President of Student Life is that person designated by the University President to be responsible for the administration of the Student Conduct System. Article III: Proscribed Student Code of Conduct

A. Jurisdiction of the University Student Code of Conduct
The University Student Code of Conduct and Community Standards shall apply to conduct that occurs on University premises, at University-sponsored activities, and to off-campus conduct that is deemed to adversely affect the University community and/or the pursuit of its objectives. Each student shall be responsible for his or her conduct from the time of application for admission through the actual awarding of a degree, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment (and even if his or her conduct is not discovered until after a degree is awarded).

The Student Code shall apply to a student’s conduct even if the student withdraws from school while a conduct matter is pending. The Vice President of Student Life shall decide whether the Student Code shall be applied to conduct occurring off campus, on a case-by-case basis, at his or her discretion.
B. Community Standards

“Community Standards” refer to general guidelines or biblical principles that are represented in University policies and expectations for the conduct of community members. They may be articulated in written or spoken directives or may be implicitly understood as “common sense” or basic to Christian teaching or practice. The following Community Standards are not meant to be an exhaustive list, but rather touch on topics of particular concern, interest, or conflict with contemporary culture.

1. **Respect.** Students are expected to demonstrate respect for those in authority including faculty, staff, and student leaders/workers. Respect is also expected to be extended to policies, procedures and regulations established by the University for the orderly administration of University activities and the welfare of the members of the HBU community. Furthermore, respect for the rights and human dignity of others, especially in the conduct of relationships; Respect for the rights and needs of the community to develop and maintain an atmosphere conducive to academic study and personal development; and, Respect for Federal, State, and Local laws and ordinances is expected.

2. **Integrity and accountability.** Members of the campus community are expected to maintain lives of integrity regarding biblical principles and standards of conduct adopted by the campus community. Members are equally responsible to bring to bear accountability where there is knowledge that fellow members are violating community standards for conduct and should exercise such action in humility with concern for the offender.

   Students who have difficulty accepting the University’s standards of conduct may, as part of HBU’s restorative discipline process, be required to pursue counseling and a mentoring relationship that will help them understand and embrace these standards and the biblical truths they reflect. Students who cooperate with this process are welcome to continue to be part of the University community. Students who reject this process may be separated from the University for an extended or permanent period of time.

3. **Affirmation of diversity.** The University recognizes the influence that diversity has in shaping the unique contributions of community members. The University is committed to affirming these contributions and creating opportunities for synergistic reasoning and insights. This commitment is based on a belief that community members should be able to maintain their unique distinctiveness while sharing mutual respect and dignity for the experiences and beliefs of others. Consistent with its educational objectives, the University refrains from endorsing or permitting conduct deemed to be in conflict with biblical principles or expressions of non-Christian religious worship or ceremony on University premises or at University-sponsored gatherings.

4. **Sanctity of life.** The University embraces a biblical position which honors the sanctity of life. Consequently, the University cannot support actions which encourage or result in the termination of human life through suicide, euthanasia, or abortion-on-demand. The University’s belief in the sanctity of life influences its response to those students who are involved in a crisis pregnancy. The campus community is prepared to stand with both the father and mother of the unborn child as they consider the results of their actions and experience forgiveness that comes from genuine repentance. Subsequently, abortion is not advised or entertained as an alternative solution. The University is committed to assisting the student(s) with other alternatives. Continuity of on-campus student residency will be considered in light of what is best for all those impacted by the pregnancy. As always, persons in such a crisis will find University officials supportive and redemptive.
5. **Sexual harassment.** The University desires to maintain a working and learning environment free from the sexual harassment of its community members and guests. Any behavior determined to constitute sexual harassment will be viewed as neither complimentary nor humorous and will be subject to student conduct action. The University recognizes that the perception of sexual harassment behavior is often subjective and that the circumstances surrounding the conduct, as well as its pattern, frequency, and severity need to be considered in assessing the behavior. Although statistical analysis has shown that sexual harassment is usually committed by an individual in a position of power or influence, sexual harassment can occur between any two individuals regardless of gender, employment status, work relationship, or academic association. Sexual harassment may be verbal, graphic, written or physical in nature. Each may be grounds for student conduct action.

6. **Gender identity.** The University embraces the biblical position that each individual is “fearfully and wonderfully made” by God (Psalm 139:14) and therefore strategically and purposefully created with the biological gender the student was born with. HBU recognizes that some students may struggle with their gender identity. Because of its biblical convictions, the University requires all students to dress, live, and act according to the biological gender of their birth. Students who violate this norm are subject to the University’s restorative discipline process and may be required to pursue counseling and a mentoring relationship that will help them understand and embrace who God made them to be. Students who cooperate with this process are welcome to continue to be part of the University community. Students who reject this process will be separated from the University for an extended or permanent period of time.

Dances are subject to University guidelines and community standards. Specific program guidelines and protocols are outlined in the “Dance Policy” (available in the Office of Student Life).

D. Violation of Law and University Student Conduct Process

1. Separate processes. University disciplinary proceedings may be instituted against a student charged with conduct that potentially violates both the criminal law and the Student Code of Conduct (that is, if both possible violations result from the same factual situation) without regard to the pendency of civil or criminal litigation in court or criminal arrest and prosecution. Proceedings under this Student Code of Conduct may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus at the discretion of the Vice President of Student Life. Determinations made or sanctions imposed under this Student Code of Conduct shall not be subject to change because criminal complaint arising out of the same facts giving rise to violation of University rules were dismissed, reduced, or resolved in favor of or against the criminal law defendant.

2. University cooperation with law enforcement. When a student is charged by federal, state, or local authorities with a violation of law, the University will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense
is also being processed under the Student Code of Conduct, the University may advise off-campus authorities of the existence of the Student Code of Conduct and of how such matters are typically handled within the University community. The University will attempt to cooperate with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators (provided that the conditions do not conflict with campus rules or sanctions). Individual students and other members of the University community, acting in their personal capacities, remain free to interact with governmental representatives as they deem appropriate.

Article IV: Student Conduct System Procedures

A. Complaints and Resolution of Complaints

1. Complaint. Any member of the University community may file a complaint against a student for violations of the Student Code of Conduct. A complaint shall be prepared in writing by the Complainant or interviewing University official and directed to the Student Conduct Administrator. Complaints should be submitted as soon as possible after a violation takes place, but no “statute of limitations” prevents the Student Conduct Administrator from acting when deemed warranted.

2. Initial Notification. The accused student shall be notified via HBU email that there has been a complaint. The accused student shall be provided notice of the allegations against the student and a copy of the written complaint, when deemed appropriate, as determined by the Student Conduct Administrator. The accused student shall be required to respond within 48 hours accepting or denying responsibility for the alleged violation. Failure to respond within 48 hours may result in additional sanctions. After a response from the accused student, the Student Conduct Administrator may conduct an inquiry.

3. Inquiry. The Student Conduct Administrator may conduct an inquiry to determine if the complaint has merit. Subsequent proceedings may be arranged at the discretion of the Student Conduct Administrator. The Student Conduct Administrator may, at his or her discretion, ask a HBU faculty or staff member to sit in during the inquiry process. During the course of the inquiry process, if new information is obtained that the student may have violated additional policies and procedures not included in the initial notification, the Student Conduct Administrator shall make every effort to notify the student of the additional violations.

4. Resolution. If the complaint is not admitted and/or cannot be disposed of by mutual consent, the Student Conduct Administrator will make a decision based on the information revealed in the inquiry. If the respondent is found in violation of the Code of Conduct, sanctions shall be assigned by the Student Conduct Administrator.

5. Notification. The Student Conduct Administrator will notify the Respondent in writing of the decision(s) reached. The student will be notified of his/her right to appeal and information on the appeals process will be included in writing.
B. Conduct Boards

1. At his or her discretion, the Student Conduct Administrator may convene a Student Conduct Board composed of HBU students, faculty and staff, to resolve lower level violations. The accused student shall be notified that he or she will be appearing before the Student Conduct Board. Under the guidance of the Student Conduct Administrator, the Student Conduct Board will conduct an inquiry and submit its recommendation to the Student Conduct Administrator. The Student Conduct Administrator shall then review and either approve or deny the recommendation reached by the Student Conduct Board, and may reconvene the Student Conduct Board if necessary.

2. At his or her discretion, the Student Conduct Administrator may convene a Conduct Board, composed of faculty and staff (no students), to resolve more serious or egregious violations. The accused student shall be notified that he or she will be appearing before the Conduct Board. Under the guidance of the Student Conduct Administrator, the Conduct Board will conduct an inquiry and submit its recommendation to the Student Conduct Administrator. The Student Conduct Administrator shall then review and either approve or deny the recommendation reached by the Student Conduct Board, and may reconvene the Conduct Board if necessary.

C. Sanctions

Reconciliation to the community after a violation of the Student Code of Conduct often requires some form of consequence for the action. Intermediate consequences are employed wherever possible to avoid expulsion from the University or on-campus Housing. Each incident is reviewed on a case-by-case basis, with consideration to:

1) the severity of the violation,
2) the context of the incident,
3) a history of prior misconduct,
4) the responsiveness of the respondent to accountability, and
5) the degree to which the individual displays genuine repentance.

Community members are encouraged to provide firsthand testimony that will bring greater clarity and understanding to the student conduct process. While painstaking efforts are taken to maintain consistency from case to case and individual to individual, confidentiality often prevents the disclosure of details that contribute to a decision, occasionally resulting in unanswered questions regarding an outcome. Uninformed members of the campus community are asked to extend the benefit of the doubt to officials, knowing that prayerful consideration has been employed in the proceedings and the subsequent outcome.

1. Sanctions. The following sanctions may be imposed upon any student found to have violated the Student Code of Conduct:
   a. Verbal Warning-Verbal notice to the student that the student is violating or has violated institutional regulations, accompanied by a request to desist and refrain from the misconduct.
   b. Written Warning-A notice in writing to the student that the student is violating or has violated institutional regulations, accompanied by a request to desist and refrain from the misconduct.
   c. Loss of Privileges-Denial of specified privileges for a designated period of time.
   d. Fines-Previously established and published fines may be imposed.
   e. Restitution-Compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement.
f. Discretionary Sanctions-Work assignments, essays, service to the University, or other related discretionary assignments.
g. Probation-A written reprimand for violation of specified regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to violate any institutional regulation(s) during the probationary period.
h. University Housing Suspension-Separation of the student from University Housing for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.
i. University Housing Expulsion-Permanent separation of the student from University Housing.
j. Interim Suspension-Requires that a student immediately leave University premises or a University-sponsored activity when it is fair and reasonable to believe that a student is an immediate threat to the safety of others or himself/herself or to the disruption of University operations. Conditions for return will be specified. (Also see IV.B.2.)
k. Suspension-Separation of the student from the University for a definite period of time, after which the student is eligible to return. Conditions regarding access to University premises, attendance at University-sponsored activities, and subsequent readmission may be specified.
l. Dismissal-Separation of the student from the University with no promise (implied or otherwise) of readmission at a future date. Conditions regarding access to University premises, attendance at University-sponsored activities, and subsequent consideration for possible readmission may be specified.
m. Expulsion-Permanent separation of the student from the University. Conditions regarding access to University premises and attendance at University-sponsored activities may be specified.
n. Revocation of Admission and/or Degree-Admission to, or a degree awarded from, the University may be revoked for fraud, misrepresentation, or other violation of University standards in obtaining the degree, or for other serious violations committed by a student prior to graduation. The endorsement of the appropriate governing body and approval of the President are required.
o. Withholding Degree-The University may withhold awarding a degree otherwise earned until the completion of the process set forth in this Student Code of Conduct, including the completion of all sanctions imposed, if any.

2. Guidelines for imposing consequences. The following guidelines attempt to establish some continuity in administering consequences for the violation of the Student Code of Conduct. The Student Conduct Administrator will customarily employ the following guidelines in determining an appropriate consequence, unless there are circumstances that warrant an alternative response on the part of the University. Multiple sanctions may be employed for a single violation, and cumulative violations may result in greater consequences than a single offense.
a. Level 1 Violations: Minor violations likely to result in a minimum consequence of a verbal or written warning with additional sanctions, fine, or restitution on the first occurrence include, but are not limited to, the following examples:
   (1) Violation of smoking policy
   (2) Violation of burning objects policy
   (3) Failure to respond to a request for appointment
   (4) Minor abuse and damage to property
   (5) Profanity and obscenity
   (6) Violation of residential visitation policy
   (7) Violation of residential noise policy
Customary action: Verbal warning; written warning; loss of privileges, monetary fines, restitution, and/or discretionary sanction(s).
b. **Level 2 Violations:** Intermediate violations likely to result in a minimum consequence of probation or limited-term suspension with additional sanctions and conditions on the first occurrence include, but are not limited to the following examples:

   1. Disrespect to persons of authority
   2. Significant damage to property
   3. Misuse of safety equipment
   4. Petty theft
   5. Sexual misconduct
   6. Cohabitation
   7. Violation of alcohol policy
   8. Intoxication or drunkenness
   9. Repeat offenses of Level 1 Violations

Customary action: Level I customary actions, educational sanctions, probation, multiple-day suspension, and/or suspension of privileges.

c. **Level 3 Violations:** Major violations likely to result in long-term suspension, dismissal, or expulsion on the first occurrence include, but are not limited to the following examples:

   1. Use or possession of controlled substances or illegal drugs
   2. Intentionally causing physical harm to another person
   3. Sexual assault
   4. Arson
   5. Grand theft
   6. Possession of a weapon or firearm
   7. Repeat offense(s) of Level 1 and/or Level 2 Violations

Customary action: Level I and/or Level 2 customary actions, interim suspension, academic term suspension, dismissal, and/or expulsion.

3. **Interim suspension.** In certain circumstances, the Vice President of Student Life, or a designee, may impose a University or Housing suspension prior to the resolution of the complaint.

   a. **Conditions.** Interim suspension may be imposed:

      1. To ensure the safety and well-being of members of the University community or the preservation of University property.
      2. To ensure the student's own physical or emotional safety and well-being.
      3. If the student poses an ongoing threat of disruption of, or interference with, the normal operations of the University.
      4. To prevent repeat violations of the Code of Conduct that the Student Conduct Administrator reasonably believes may occur absent the interim suspension.
      5. During breaks where University services and/or resources are limited.

   b. **Campus access.** During the interim suspension, a student shall be denied access to University premises (including housing, food services and classes) and/or all other University activities or privileges for which the student might otherwise be eligible, as the Vice President of Student Life, Campus Police or the Student Conduct Administrator may determine to be appropriate.

   c. **Process.** The interim suspension does not replace the regular process, which shall proceed on the normal schedule, up to and through an appeal review, if exercised. However, the student should be notified in writing of this action and the reasons for the suspension. When timing necessitates a more immediate verbal notification, the written notification should be provided as soon as possible, thereafter. The notice should include reference to a meeting at which the student may demonstrate why his or her continued presence on campus would not fall under one of the conditions above for imposing the interim suspension.
4. **Student conduct holds.** The Student Conduct Administrator places a "hold" with the Office of the Registrar preventing subsequent enrollment when a student is suspended, dismissed, or expelled from the University. A permanent record of the student conduct action is noted in the student's academic record.

5. **Disposition of student conduct records.** Other than student conduct suspension, dismissal, expulsion, or revocation or withholding of a degree, student conduct sanctions shall not be made part of the student’s permanent academic record, but shall become part of the student's student conduct record. Upon graduation, the student's student conduct record may be expunged of student conduct actions other than Housing expulsion OR University suspension, dismissal, or expulsion OR revocation or withholding of a degree. All remaining student conduct records may be expunged from the student's confidential record seven years after graduation or separation from the University.

6. **Group sanctions.** The following sanctions may be imposed upon groups or organizations:
   a. Those sanctions listed above in article IV.B.1.a-g.
   b. Loss of selected rights and privileges for a specified period of time.
   c. Deactivation. Loss of all privileges, including University recognition, for a specified period of time.

7. **Notification of sanctions.** The Student Conduct Administrator is not limited to sanctions listed above. Upon completing a review of the situation, the Student Conduct Administrator shall advise the respondent, group and/or organization of the sanction(s) imposed, if any.

**D. Appeals**

1. **Initiating an appeal.** A decision reached by a Student Conduct Administrator may be appealed by the Respondent(s) or Complainant(s) within three (3) academic school days of the student conduct resolution notification. Such appeals shall be addressed to the respective Appellate Administrator in writing and shall be delivered to the Student Conduct Administrator. If after reviewing the appeal, the Student Conduct Administrator maintains the veracity of the disciplinary process, findings, and action, the appeal is forwarded to the appropriate Appellate Administrator. Sanctions imposed by the Student Conduct Administrator are customarily suspended until the appeal process is completed, unless otherwise notified by the Appellate Administrator.

2. **Conditions for appeal.** Except as required to explain the basis of new information, an appeal shall be limited to a review of the record of the Student Conduct Administrator and supporting documents for one or more of the following purposes. If the appeal is not based on one of these purposes, the appeal may be dismissed, at the discretion of an appropriate University official as assigned by the Vice President of Student Life:
   a. To determine whether the inquiry and follow up meetings was conducted fairly in light of the complaint and information presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and to present information that the Student Code of Conduct was violated, and giving the Respondent a reasonable opportunity to prepare and to present a response to those allegations. Deviations from designated procedures will not be a basis for sustaining an appeal unless significant prejudice results.
   b. To determine whether the decision reached regarding the Respondent was based on substantial information, that is, whether there were facts in the case that, if believed by the fact finder, were sufficient to establish a violation of the Student Code of Conduct.
   c. To determine whether the sanction(s) imposed were appropriate for the violation of the Conduct Code which the student was found to have committed.
d. To consider new information, sufficient to alter a decision or other relevant facts not brought out in the original review, because such information and/or facts were not known to the person appealing at the time of the original Student Conduct and Appeals Committee Review.

3. **Appeal Review Process.** If conditions for an appeal are met and forwarded to the Appellate Board, the review shall be conducted by the Student Conduct and Appeals Committee according to the following guidelines:
   a. Student Conduct and Appeals Committee reviews normally shall be conducted in private.
   b. In a review involving more than one Respondent, the Student Conduct Administrator, at his or her discretion, may permit the review concerning each student to be conducted either separately or jointly.
   c. The Complainant and the Respondent have the right to be assisted by an advisor they choose, at their own expense. The advisor must be a member of the University community and may not be an attorney. The Complainant and/or the Respondent are responsible for presenting his or her own information; therefore, advisors are not permitted to speak or to participate directly in any Student Conduct and Appeals Committee Review before the committee. A student should select as an advisor a person whose schedule allows attendance at the scheduled date and time for the review because delays will not normally be allowed due to the scheduling conflicts of an advisor.
   d. The Complainant, the Respondent, and their advisor(s), if any, shall be allowed to attend the entire portion of the review at which information is received (excluding deliberations). Admission of any other person to the review shall be at the discretion of the Student Conduct and Appeals Committee and/or its Student Conduct Administrator.
   e. The Complainant, the Respondent, and the Student Conduct and Appeals Committee may arrange for witnesses to present pertinent information at the review. The University will try to arrange the attendance of possible witnesses who are members of the University community, if reasonably possible, and who are identified by the Complainant and/or Respondent prior to the review. Witnesses will provide information to and answer questions from the Student Conduct and Appeals Committee. Questions may be suggested by the Respondent and/or Complainant to be answered by each other or by other witnesses. This will be conducted by the Student Conduct and Appeals Committee with such questions directed to the Chairperson, rather than to the witness directly. This method is used to preserve the educational tone of the review and avoid creation of an adversarial environment. Questions of whether potential information will be received shall be resolved at the discretion of the chairperson of the Student Conduct and Appeals Committee.
   f. Pertinent records, exhibits, and written statements may be accepted as information for consideration by a Student Conduct and Appeals Committee at the discretion of the Chairperson.
   g. All procedural questions and decisions are subject to the final discretion of the Chairperson of the Student Conduct and Appeals Committee.
   h. After the portion of the review concludes in which all pertinent information has been received, the Student Conduct and Appeals Committee shall determine (by majority vote) whether the Respondent has violated each section of the Student Code of Conduct which the student is charged with violating.
   i. If a respondent, with notice, does not appear before a Student Conduct and Appeals Committee review, the information in support of the Complaint shall be presented and considered even if the Respondent is not present.
   j. The Student Conduct and Appeals Committee’s determination shall be made on the basis of whether it is reasonable to conclude that the Respondent violated the Student Code of
Conduct. A higher standard determination shall be made on the basis of whether it is more likely than not to conclude culpability in cases likely to result in significant consequence. The University is not obligated to a legal standard of “beyond a reasonable doubt.”

k. Formal rules of process, procedure, and/or technical rules of evidence, such as are applied in criminal or civil court, are not used in student conduct proceedings. **Reminder: The Student Conduct System is an educational process, NOT a legal proceeding.**

4. **Bringing closure to an appeal.** The Appellate Board’s opinion and recommendations for subsequent action are submitted to the Appellate Administrator to inform his/her final judgment. The Appellate Administrator will notify the student in writing of the decision. There shall be a single written Administrative Review summarizing the Student Conduct and Appeals Committee Review prepared or delegated and approved by the Chairperson or Student Conduct Administrator. The summary will be filed as a part of the student’s student conduct record.

**E. Records**

Student conduct records will be maintained by the Student Life office and be available in compliance with FERPA guidelines for viewing and requesting copies. The Student Conduct Administrator and/or the Student Conduct and Appeals Committee may, subject to their discretion, utilize audio and/or visual recordings during the student conduct process. No other party shall use audio or visual recordings during the student conduct process without the explicit consent of the Student Conduct Administrator and/or the Student Conduct and Appeals Committee.

**F. Special Accommodations**

The Student Conduct Administrator and/or the Student Conduct and Appeals Committee may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the Complainant, Respondent, and/or other witness(es) during the review by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, videophone, closed circuit television, video conferencing, videotape, audio tape, written statement, or other means, where and as determined to be appropriate in the sole judgment of the Vice President of Student Life or the Student Conduct Administrator.

**G. Confidentiality**

All participants involved in a particular matter under this Code are expected to keep the matter confidential in order to preserve the integrity of the process. Authorized University officials with a need to know may have access to information regarding the discipline process and outcomes. The University may also be required to release information in response to duly issued subpoenas in criminal, civil or administrative proceedings. In cases where any participant involved in the process chooses to make public the process and/or the decision of any University official involved in the process, the University may respond accordingly.

**Article V: Interpretation and Revision**

**A. Authority**

Any question of interpretation or application of the Student Conduct System shall be referred to the Vice President of Student Life or his designee for final determination.
B. Review and Revision Time Line
The Student Conduct System and Student Code of Conduct shall be reviewed every three (3) years under the direction of the Vice President of Student Life. Revisions shall be implemented with the approval of the President.

C. Disclaimer
The Student Conduct System and Code of Conduct are subject to change when deemed necessary by the University to meet the evolving needs of students, the community, and the University. All substantive changes will be widely communicated by the Vice President of Student Life through various means available.
