STUDENT CONDUCT ................................................................ 76
From The President

Dear HBU Huskies,

For some of you, these days are the first you’ll spend as a student on our campus. For others, this is a time of reunion with friends and a return to your studies. I am blessed to see you all and to feel the life you bring to the University.

The first thing you’ll notice is that HBU’s campus is changing and growing. We’re making substantial improvements in the Baugh and M.D. Anderson Centers designed to stimulate study, conversation, and community. Enjoy your new surroundings. There’s more to come. Note the green construction fences. We’ve broken ground on a new residence college and a new academic building. Signs of the new HBU are all around us.

These physical improvements are not an end in themselves. The best part of the University experience is making friends and gaining life experience. We want to have a campus that is welcoming, beautiful, and stimulating for a reason. Give yourself to your studies, but don’t forget to hang around campus, meet your fellow students, and enjoy the hundreds of debates and discussions you’ll have. Let the classroom experience expand out into the common space of the University. Many of us recall being told high school is the greatest time of your life. I respectfully disagree. I think college is even more special. This is a formative time, a time when you will decide, in many ways, who you are and who you want to be.

Our University is not a career factory designed to churn out a specified number of professionals of different types every year. Careers are an important part of what happens here, but we exist to help you along the undivided path of life and learning, faith and reason. Instead of career, think more broadly of vocation. What is it that you were meant to do? What is your contribution? What will your legacy be? HBU is a place where you can discover your calling. It is our privilege to be your partner in that endeavor.

Blessings,

Robert B. Sloan, Jr.
President, Houston Baptist University
From
The Vice President for Student Affairs

I want to extend warm greetings to both our new and returning students, and welcome you to the HBU community on behalf of the Student Affairs staff. We are so grateful that you have made HBU your university of choice. I am confident that HBU will provide you with an exceptional educational experience in the context of an environment that is focused on integrating faith and learning. It is our desire that you encounter Jesus Christ in the midst of your everyday life at the University through the faculty, staff, and fellow students, and that you will grow in the knowledge and understanding of His love, grace, and calling for your life.

I know that you come to us with high expectations, and it is our goal to provide you with an excellent education, preparing you for a life of service to God and others. This preparation will occur in every facet of your undergraduate experience, most notably in the context of your formal coursework. Numerous opportunities exist for informal learning: community life; residence hall living; participation in campus activities; vocational exploration; and involvement in clubs, organizations, and athletics.

The Student Affairs staff provides programs and services that impact the quality of student life by supporting academic and professional success, spiritual formation, and commitments to living in community. It is our prayer that you will take advantage of the rich undergraduate experience at HBU. If we can be of assistance to you, please do not hesitate to stop by our offices or call a Student Affairs staff representative at 281-649-3238.

In His Service,

Norm Slosted
Vice President for Student Affairs

University Distinctives

Vision, Mission and Purpose

**Vision** - To be recognized as one of metropolitan America’s premier academic Christian institutions.

**Mission** - Houston Baptist University, a Christian, liberal arts institution, prepares students for meaningful lives and work and for service to God and the peoples of the world.

**Purpose** - The University welcomes and extends its resources to those who strive for academic excellence. The faculty, staff, and administrators are committed to providing a responsive and intellectually stimulating environment that:

- fosters spiritual maturity, strength of character, and moral virtue as the foundation for successful living;
- develops professional behaviors and personal characteristics for life-long learning and service to God and to the community;
- meets the changing needs of the community and society; and
- remains faithful to the “**Nature of the Institution**” statement

The University offers a broad range of programs and services committed to liberal arts education that are designed to promote the growth of the whole person. The undergraduate programs familiarize students with the principal bodies of knowledge, cultural viewpoints, belief systems, and aesthetic perspectives that affect them and their world. The graduate programs provide advanced educational opportunities to develop ethical and capable scholars and practitioners who can contribute to their academic disciplines and to society. The integration of scholarship, service, and spirituality essential to liberal arts education is nurtured in an environment of open inquiry.

The University enrolls men and women of diverse talents and abilities. Students are encouraged to think critically, to assess information from a Christian perspective, to arrive at informed and reasoned conclusions, and to become lifelong learners. The University prepares its graduates to enter the workforce of the twenty-first century, to pursue advanced study, to assume leadership roles, and to be competitive in a global society.

The University faculty, staff, and administrators promote learning, scholarship, creative endeavor, and service. These leaders are committed to the Preamble to the By-Laws and to the fulfillment of the mission of the University.

**Nature of the Institution**

The Preamble to the University By-Laws as stated below describes the distinctive nature of the institution.

The Houston Baptist University is a Christian liberal arts university dedicated to the development of moral character, the enrichment of

spiritual lives, and the perpetuation of growth in Christian ideals. Founded under the providence of God and with the conviction that there is a need for a university in this community that will train the minds, develop the moral character and enrich the spiritual lives of all people who may come within the ambit of its influence, HOUSTON BAPTIST UNIVERSITY shall stand as a witness for Jesus Christ expressed directly through its administration, faculty, and students. To assure the perpetuation of these basic concepts of its founders, it is resolved that all those who become associated with Houston Baptist University as a trustee, officer, or member of the faculty or of the staff and who perform work connected with the educational activities of the University must believe in the divine inspiration of the Bible, both the Old Testament and New Testament, that man was directly created by God, the virgin birth of Jesus Christ, our Lord and Savior, as the Son of God, that He died for the sins of all men and thereafter arose from the grave, that by repentance and the acceptance of and belief in Him, by the grace of God, the individual is saved from eternal damnation and receives eternal life in the presence of God; and it is further resolved that the ultimate teachings in this University shall never be inconsistent with the above principles.

Amended by the Board of Trustees February 22, 1974

Undergraduate Traditions

Traditions are a source of pride and enthusiasm to a university community; they provide continuity through the years and combine stability with growth. Much of the excitement of attending a young, changing university is that tomorrow’s traditions are being made by us today.

Beanie and Tug-of-War - The beanie is the University’s way of welcoming freshmen to the HBU spirit and way of life. Freshmen are to wear their beanies until the exciting Tug-of-War, which occurs the first week of classes. If the freshmen lose the Tug-of-War they continue to wear their beanies for an additional week.

Honoring Speakers - It is tradition at Houston Baptist University in all Convocation programs that the guest speaker be given the courtesy of having the audience rise quietly as he/she approaches the podium. Students are asked each year to continue this “Traditional HBU Welcome.”

Husky Sign - The Husky sign is made by touching the thumb to the tips of the two middle fingers, making the dog’s “head.” The outside fingers are extended to represent the ears.

School Colors - Selected by our founders before the first classes began, orange and blue have become symbolic of Houston Baptist University in all phases of campus life.

School Mascot - The mascot of HBU is the mighty Siberian Husky. The name of our current live mascot is Kiza (shortened from Wakiza, which means Mighty Warrior.)
HBU Fight Song
Get Up and Go, You Mighty Huskies

Get up and go, you mighty Huskies
Give it a fight for HBU.
Whenever the goin’ is rough and things are tough,
Don’t give up the fight.
Shoulder the load, hold to the road,
Pull with all your might.
Get up and go, you mighty Huskies
Give it a hail for orange and blue.
Get ready to meet the test, show your best
Drive until you’ve made History, with victory
You’ll win for HBU.

Words and music by
Dr. Robert L. Parker

Hail the Orange and Blue

In the great state of Texas,
Houston, USA,
Stands our noble Alma Mater,
Christ saying I am the Way.

In our search for knowledge,
Tempered with Thy love,
Seeking our place of service,
With wisdom from above.

Give us courage, strength and faith,
To face a world filled with fear.
Ever onward to the challenge,
Knowing Thou art near.

Chorus
God bless our school.
Keep her safe and true.
God bless our Alma Mater.
Hail the Orange and Blue.

Words by Dr. W.H. Hinton
Music by Dr. Don Looser
Student Activities

HBU 2007-2008 Student Handbook 17
**Student Government Association (SGA)**

We, the Student Association of Houston Baptist University, by and with the consent of the faculty and administration, in order to govern ourselves more wisely; to promote greater understanding and cooperation with the faculty and administration; to foster the recognition of privileges and responsibilities of the students of the University community; to provide opportunity for responsible individual and collective action; to foster high ideals of conduct and academic standing; and to establish worthy traditions, establish the Student Association and the Student Government Association.

All currently enrolled students of Houston Baptist University shall be members of the Student Association, and shall be entitled to all rights and privileges outlined therein. The Student Association members shall come from the Freshman, Sophomore, Junior, and Senior classes; and from all colleges of the University organized under their college dean.

To obtain a copy of the SGA Constitution and Bylaws, you may contact the Student Life Office or e-mail sga@hbu.edu.

Elections for all SGA positions, except freshman representative, are held each spring. Freshman representative elections are held each fall. For more information call the Student Life Office at 281-649-3302 or send an e-mail to sga@hbu.edu.

**Greek Life**

The Greek system at HBU is currently made up of one local and two national fraternities and three national sororities. The governing bodies for the Greek system are the Interfraternity Council (IFC) and the Panhellenic Council. Each chapter has representation on its respective council. The councils meet regularly and at times meet together as one group. These councils operate on the ideals of promoting cooperation and unity of various groups in matters of individual, college, and community benefit. Panhellenic and IFC work together to foster a sense of Greek pride and unity.

### Fraternities
- Alpha Pi Kappa
- Kappa Alpha Order
- Phi Kappa Psi

### Sororities
- Alpha Chi Omega
- Phi Mu
- Alpha Kappa Alpha

Joining a fraternity or sorority takes place during “Rush,” a week of events for students to get to know the members of each chapter. To be eligible for initiation into a social-service fraternity or sorority during the following quarter, students must achieve a 2.0 GPA on a minimum of eight hours (full-time student). Chapters extend invitations (bids) to join their groups at the conclusion of Rush Week. For more information about these groups contact the Student Life Office.
Spiritual Life Department

The Spiritual Life Department includes the Spiritual Life Program, Student Ministries, ACTS, and the HBU REC Team. The Spiritual Life offices are located above the bookstore in the M.D. Anderson Student Center. To reach the University Chaplain, Director of Spiritual Life, you may e-mail ccross@hbu.edu. For information on how to become involved in any of these areas, please call 281-649-3117 or visit the Spiritual Life Office.

Purpose

Spiritual Life seeks to nurture community, develop student leadership, build moral character, provide an environment for every student to know Christ and equip students to be Christ’s ambassadors beyond HBU.

Spiritual Life Program (SLP) Graduation Requirement

All students seeking an undergraduate degree (full-time or part-time) have a SLP Graduation requirement of 90 points. Students are encouraged to garner a minimum of 10 points per quarter until the full requirement is met and to complete their Spiritual Life Program requirement before their last quarter. Students must satisfy this requirement in order to graduate from HBU.

Transfer Students will receive a transfer credit of 3/4 point for every transfer hour. For example, a student with 40 transfer hours will receive 30 SLP points towards the requirement of 90.

Points of Interest, published quarterly, gives details about the SLP events available. Questions about the SLP graduation requirement or the Spiritual Life Program may be directed to the Spiritual Life office. Students may subscribe to “SLP e-mail” for weekly updates by e-mailing a request to mmccurdy@hbu.edu.

Associate Degree Nursing - The ADN students have a SLP Graduation requirement of 54 points instead of 90 points. The transfer credit system works the same for ADN students; each transfer hour is worth 3/4 point. ADN students adhere to the same criteria as bachelor’s students (i.e. quarter limits, event limits, etc.) except for the total number of points required.

SLP Events - The Spiritual Life Program offers a variety of events each quarter; each event is assigned a point value. Students accrue SLP points by attending SLP event, and may accrue up to a maximum of 15 points per quarter. Students may choose from the following event categories:

### Organization Sponsored Events

A student organization may submit a request to the Spiritual Life Office for an event to receive Spiritual Life Program credit. The request form is available on the HBU portal under HBU forms. Each organization may sponsor up to five events per quarter for credit.

The Spiritual Life Program Credit Request Form must meet the approval criteria and be submitted 10 days prior to the event. The event must support Spiritual Life on campus and the mission of Houston Baptist University. Once an event is approved, the organization is responsible for properly promoting the event.

Additional options approved for SLP points will be advertised through the HBU portal and other available posting venues. Any additional programs for SLP points must be approved by the Spiritual Life Office.
Attendance and Tracking - A representative designated by the Spiritual Life Office will be available at approved events to record attendance. The student is responsible for having his/her attendance recorded by ID card scan or sign-in. A student may only sign in once per quarter at Convocation. Participants do not receive points when they arrive late, leave early, don’t sign-in/scan-in, or distract someone else from participating.

Students may check their SLP record on their HuskyNet account. It is the student’s responsibility to notify the Spiritual Life Office with any questions regarding his or her SLP record. SLP point requirement and points received will print on the student’s grade sheet and process form each quarter.

Petitions Policy - All students seeking an undergraduate degree must complete the 90 SLP point requirement in order to graduate. No petitions are accepted requesting a decrease in point requirement. However, if a student is unable to complete the requirement in order to graduate on schedule, petitions requesting permission to earn points beyond the quarter limits are accepted. Note that the SLP committee will make a decision regarding the petition and is pleased to help the student work out a plan on a case-by-case basis. Petition forms are available in the Spiritual Life Office.

Holds Policy - Students are encouraged to complete an average of 10 points per quarter in order to stay on schedule. In an effort to help students complete their SLP requirement on time, a series of holds will be placed on students’ accounts prior to registration for those who fall behind schedule. The two types of holds are:

LEVEL 1: (30 pts. behind) Student is blocked from e-registration only until hold is removed.
LEVEL 2: (45 pts. behind) Student is blocked completely from registration until hold is removed.

Hold Removals - Student must meet with a Spiritual Life staff member to discuss his or her SLP requirement in order to have the hold removed.

Student Ministry

The theme for the 2007-2008 Ministry Leadership Council is “The Culture of Christ.”

“Do not become so well-adjusted to your culture ... Instead, fix your attention on God.” — Romans 12:2 (The Message)

During our faith journey, we are called to positively affect our culture, not to let it squeeze us into its mold. In Student Ministry, our desire is to equip students in all areas of their lives to do just that! This is accomplished by:
• Challenging believers to daily grow in their desire to know God more intimately.
• Helping students to identify their spiritual gifts to more uniquely fit into the body of Christ
• Leading those involved to discover the richness of the diversity we have on our campus.
• Equipping leaders to share the Good News of Jesus Christ around the world.

ACTS

ACTS (Assisting Communities Through Students) is a distinctive program that encourages students to make a Christian response to human needs through service in non-profit agencies and Houston schools. ACTS is committed to providing students with opportunities to address complex social issues, develop leadership skills, gain valuable work experience, and apply classroom theory to real world situations. Most importantly, through these experiences, students will be encouraged to make service an integral part of their lives.

In 2002, the ACTS program increased the number of hours students could serve each quarter from 5 points/quarter to 30 points over two quarters. This shift encourages students to make long-term commitments at service agencies and build relationships with those whom they are serving. The development of the Service Learning Internship motivates students who want to invest on a deeper level as they work alongside people who have dedicated their lives to helping others.

Programs

Students receive one SLP point per hour of service through participation in ACTS-sponsored events (ACTS-sponsored events include only those published in Points of Interest) with a limit of five points per quarter and a HBU career limit of 10 community service points. In addition to 10 community service points, students can earn an optional 30 points upon full completion of a Service-Learning Internship (see information on next page). To sign up, or for more information, visit the ACTS Office (located in the M.D. Anderson Student Center), call 281-649-3393, or e-mail jshaffer@hbu.edu.

Service Leadership Council

The Service Leadership Council is comprised of students who are devoted to serving and advocating for the poor and marginalized. They are responsible for leading other students to be active in serving throughout the Houston community. If you would like to become connected and find ways to serve, please stop by the ACTS office, located above the bookstore in the M.D. Anderson Student Center.

Service Saturdays

Service Saturdays are held a few times each month so that students can team up and make a difference in their communities on their Saturday mornings. See Points of Interest for dates and times.

Tutoring Program

The HBU tutoring program supports local inner-city elementary schools by providing mentors and tutors for at-risk children. Students may receive SLP points by applying tutoring hours to a S-L Internship. All tutors must go through a background check.
Service-Learning Internships (SLI)

Students interested in learning more about the process of social change and desiring to make an impact in their community can participate in a Service Learning Internship (SLI). Students serve 30 hours at a faith-based non-profit agency over a period of two quarters and write a three-page reflection paper. Upon satisfactory completion of all requirements, students receive 30 SLP points. Students must apply for and be accepted by the ACTS Office prior to beginning the internship. Interested students can call the ACTS Office at 281-649-3393.

Missions and Mission Learning Opportunities

Annual mission learning opportunities are co-sponsored by Student Ministries and ACTS. These opportunities are available to all students. They provide academic, cross-cultural, hands-on experiences to prepare students for missions. In 2006 our partnership with Living Water International continued. A group of 35 students and staff traveled to Leon, Nicaragua, to drill water wells and work with the children of area villages. Another group participated in an inner-city, Urban Plunge experience working with the homeless and illiterate of Houston. Both of these opportunities will be repeated during Spring Break 2008. In August 2006, 22 students went to New York City to help paint inner-city school buildings in preparation for the fall semester. In May 2007, eight students traveled to Kenya, Africa, to work alongside Food For The Hungry in an orphanage/school.

Prayer and Evangelism Ministry

Jesus said we should always pray and preach the Gospel. Prayer and evangelism are vital disciplines in the Christian faith. At HBU, we encourage and provide opportunities for you to pray and share the Good News with individuals and in groups. Our prayer is that you may hear our Lord say, “Well done, good and faithful servant.” To find out more about this ministry, contact Saleim Kahleh at 281-649-3485 or e-mail Saleim at skahleh@hbu.edu.

Weekly Ministry Activities:
- Prayer Walks - each Friday of the quarter
- Prayer Counseling - each Thursday after Convocation

Other Opportunities:
- See You at the Pole - September 26, 2007
- National Day of Prayer - May 1, 2008
- Prayer Retreat - watch for details in Points of Interest
University Chaplain

The Director of Spiritual Life/University Chaplain Office is located above the bookstore in the M.D. Anderson Student Center. In order to reach the chaplain, you may call the Spiritual Life Office at 281-649-3117 or e-mail ccross@hbu.edu.
Campus Housing and Residential Life

Living on campus at HBU is a tremendous part of the overall college experience and a significant component of the educational process. These living-learning environments provide opportunities to grow spiritually, develop interpersonal skills, increase understanding of diverse cultures, and learn self-discipline in organizing time for study, work, and social activities. Students who live on campus learn independent responsibility while living among friends and peers.

Students may choose to live in one of our two residence colleges, the Rebecca Bates Philips College for Women (WRC) and the Reuben L. Philips College for Men (MRC), or the Husky Village Apartments (HV).

HBU Housing Options

Reuben & Rebecca Bates Philips Residence Colleges for Men and Women
The Men’s (MRC) & Women’s (WRC) Residence Colleges are a long way from the “dorms” at other schools. Both residences offer suite-style furnished rooms with air conditioning, 80 channels of cable TV, and wireless Internet. Each suite has four bedrooms, two baths, and a living room and can accommodate up to eight residents. A centralized lounge area, kitchen, and additional computer lab access all facilitate a home-like atmosphere and provide opportunities for social and academic interaction.

Mest Wing for Women — The Mest Wing of the WRC is a more traditional college housing choice. This option offers two bedrooms with a common bathroom and can accommodate up to four residents. All the other amenities available to WRC residents are available in the Mest as well.

Husky Village Apartments — Husky Village is HBU’s on-campus apartment community for upperclassmen. It’s just a short walk from classrooms, the library, and student center - everywhere a student needs to be. The unique custom floor plans are designed exclusively for student use. Each unit includes a full kitchen with stove, dishwasher, and refrigerator; built-in dining/study area; carpeting throughout; complimentary cable TV and high-speed Internet; and maximum of two residents per bathroom. Individual lease liability.

Residence Life Staff — The Residence Life staff is committed to providing an atmosphere of learning and growth that will facilitate the educational experience in the context of University community. Resident Directors (RD) and Resident Assistants (RA) work together in developing a community conducive to student growth.

Housing Requirements — Because of the University’s commitment to the residential experience, students are required to live on campus unless one or more of the following exceptions apply:

• 21 years of age or older prior to September 1
The content of this handbook is subject to change when deemed necessary by the University to meet the evolving needs of students, the community, and the institution.

HBU 2007-2008 Student Handbook 29

- Completed 96 credits prior to the beginning of Fall Quarter
- Married
- Graduate student
- Part-time student
- Living at home with parents/guardians in the Houston area

Any student who does not meet these criteria and desires to live off campus must petition to do so. You may pick up a Housing Appeal form in the HBU Housing Office or e-mail housing@hbu.edu.

Residence Life Services & Security

Residence Life Services

Health Insurance — All residential students will automatically be billed on their HBU student account for a blanket accident and health insurance plan. Details of this coverage are available at 888-308-7320 or www.AHPCare.com/hbu.

Laundry — A laundry room with coin-operated washing machines and dryers is provided for the use of the residents in each residential area.

Lockouts — If a resident becomes locked out of his or her room or apartment, he or she may call or stop in the housing area office for assistance. After hours, students may call the Resident Assistant on-call cell phone for assistance. This service is offered free to residents; however, a charge of $15.00 per occurrence may be assessed if it becomes repetitive.

Lost and Found — A student who finds any property belonging to someone else has the obligation to return the item to its rightful owner or the Student Affairs Office if the owner is unknown.

Mail — Each resident receives a key to a mailbox in his or her housing area. Students are responsible for checking their mailbox regularly.

Vacuums — Vacuums are available in the office of each housing area for resident use.

University Housing Support

Residence College Help Desks — Each Residence College houses a help desk, called “The Box,” in the lobby of each building to serve the residents. The WRC and MRC Box Offices are open weekdays from 9:00 am to 12:00 pm, Saturday from 10:00 am to 12:00 am, and Sunday from 2:00 pm to 10:00 pm. Numbers are also posted in the Box Offices for after-hours emergencies.

University Housing Office Hours & Service Procedures — Regular housing office hours are Monday through Thursday, 9:00 a.m. to 6:00 p.m., Friday, 9:00 a.m. to 5:00 p.m., and Saturdays, TBA. Business hours may vary during the course of the year due to holidays or variations in the University calendar. When the office is not open, students may call the Resident Assistant’s on-call cell phone (281-948-8837) for emergencies. The number also is posted on the office.
door and is distributed throughout the year in various newsletters and notices. A letter slot is available for messages and after-hours rental payments.

**Repairs** — Maintenance requests should be reported to the housing office.

**Residence College Cleaning Service** — The bathrooms in both Residence Colleges are cleaned by a cleaning service.

**Storage** — None available.

**Telephones** — Students may contract for private phone service in their rooms. Each individual will be responsible for his or her phone and for contracting with a service provider.

---

**Husky Village Amenities**

**Game Room** — Located in building 7, the Husky Village Game Room is available for use at varying hours throughout the year. The room is supervised; and equipment is available for checkout with a student ID. Rules for use are posted inside the game room.

**Pool & Spa** — Please follow posted hours of operation. A lifeguard is not on duty, but an emergency call box is available for emergencies. Additional rules are posted in this area. Running, irresponsible behavior, loud noise, or public displays of affection are not allowed. Glass containers are not permitted. Modest commercial swim wear must be worn at all times. Residents and guests are expected to use decorum and exhibit appropriate public behavior at all times.

**Video Surveillance** — The Husky Village community is equipped with a limited number of Closed Circuit TV cameras. These cameras have been installed for the purpose of recording events for later viewing. The cameras are not monitored and are not installed for the purpose of stopping an event in progress.

---

**Residence Life Security**

Security features such as six-foot perimeter fencing, dead bolt locks, and limited access gates are provided. Residents should report any incident of theft, vandalism, or unsafe conditions to the University Police and Residence Life staff.

**Police** — The University employs on-campus police officers on a twenty-four hour basis. They are responsible for maintaining safety on campus. Residents and their guests are expected to fully cooperate with all HBU police officers.

**Access to the premises** — An individual gate remote control provides access to the Husky Village gates and/or the Campus Gates in the Residence College parking lots. Acceptance and use of the remote control is subject to compliance with the following guidelines:

a. Immediately report lost or stolen remotes to the Housing Office. A lost or damaged remote can be replaced for a $50.00 charge.

b. Right to use the remote control ends when a resident’s lease/residence ends or is terminated. Remotes must be returned at that time. Failure to return the remote will result in a $50.00 charge.
c. Residents should not share their remote with anyone else.
d. Mere possession of a remote does not necessarily confirm right of entry. Residents should not assist someone who appears to be having difficulty gaining entry, someone whose access privileges have been revoked, or guests of other residents.

**Limited Access Gates** — To avoid damage to one’s vehicle and to the vehicle access gates, residents should pass through the gates carefully. Tailgating and following other cars through the gate is not permitted. The Housing Office is not responsible for damage which occurs to residents’ or guests’ vehicles. Residents who vandalize the gates in any way whatsoever, or who bump the gate, will be fined, required to pay the costs of repairs, and may face disciplinary action and/or criminal prosecution.

**Husky Village Call Box** — The front-gate call box for Husky Village provides a resident directory with listings by last name and first initial. To gain entry, visitors may press the "#" button first for a dial tone, then dial the three digit code listed by the resident’s name. The apartment telephone number will be dialed. The resident may then open the gate for the visitor by pressing the “9” button on the resident’s telephone. Visitors may enter Husky Village to pick up or drop off a resident. Visitor parking is located in Lot # 6, through Gate # 3 and in front of the Baugh Center.

**Residence College Security Code** — A security code is given to residents for after hours access and the protection of the residents in the building. The code must not be given out for any reason to anyone not residing in the Residence College. A fine of $100 will be assessed to any resident disclosing the code and to any non-resident using the code.

**Residence Life Policies and Procedures**

The following guidelines have been established to preserve the condition of the campus housing as well as provide safety and security to the residential community. Below is an overview of some of the policies; it is not an exhaustive list. All HBU students are expected to live in a way that promotes unity and the building of strong relationships with fellow students all in the context of a caring community and Christ-centered atmosphere. All other guidelines in this handbook are also applicable to campus housing facilities and residents.

**Housing Contract** — In order to reside on campus, students must complete a housing contract and return it to the HBu Housing office.

**Meal Plans** — A meal plan is required of all resident students. The meal plan does not include University vacation periods or breaks between academic quarters. In the event that a resident needs to alter his/her meal plan, an appeal form may be obtained in the HBU Housing Office. All meal appeals must be accompanied by a written and detailed explanation of why the change is being requested, including medical documentation, if applicable.

**Residence College Housing Appeal Process** — A resident may request to break the housing contract by submitting a petition. The following procedures apply:
• Contact your Resident Director regarding your reasons for the appeal
• Complete a Housing Appeal form available from the HBU Housing Office, and
• Wait for approval/denial of request.

Any resident who moves without completing the appeal process and receiving approval is still responsible for the full terms of the contract.

**Husky Village Lease Termination Process** — Residents in the on-campus apartments enter into a legal and binding leasing contract with the Housing Office. A resident who wishes to break the terms of his or her leasing contract should review the terms of the contract carefully and speak directly with the Director of Housing Operations.

**Housing Assignment** — All students will receive a notice via e-mail to their University account confirming their move-in date and roommate assignment. If a housing assignment is not received at least 30 days prior to the beginning of the quarter, contact the HBU Housing Office at housing@hbu.edu.

**Keys** — Each resident is provided keys to access his/her room and mailbox upon checking in. Lost keys should be reported to the RA or Housing Office immediately. A replacement charge of $30 in the Residence Colleges and $15 in Husky Village will be assessed for each lost key. Duplication of keys is prohibited. It is strongly recommended that rooms are kept locked when not occupied. A mail key is required in order to retrieve mail from a resident’s mailbox. Staff are not allowed to distribute mail to individual residents.

**Residence College Room Consolidation** – Within two weeks after each quarter begins, students residing in a private room are given the option to consolidate rooms or pay the private room fee.

**Room or Apartment Transfers** -- The following guidelines apply to all room/apartment changes:

• Before requesting a room change, residents must speak with their RA regarding reasons for wanting to move.
• Upon recommendation from the RA, residents may petition their Resident Director for a room change.
• If approval is received from the RD/Housing office, the resident may be required to pay a transfer fee of $75.00.
• A resident moving without receiving approval may be sanctioned and required to pay a fine.

**Residence College Holidays & Quarter Breaks** — The Residence College will close at 7:00 p.m. the last day of classes for vacations, recess breaks, and the last day of final examinations at the end of each term. Residence Colleges will open at 2:00 p.m. the day before classes begin each term and following all vacation periods. If a student must stay beyond that time, a petition must be submitted to the RD at least two weeks in advance. HBU assumes no responsibility for the housing or meals of any student when the Residence Colleges are closed.

**Right of Entry** — Residence Life Staff members reserve the right to enter and inspect living areas, including the bathroom, if
• University policy is suspected of being violated;
• an occupant of the room is believed to be physically or emotionally in danger;
• maintenance or repair work is necessary or requested;
• health or safety hazards are suspected;
• local, state or federal law is suspected of being violated;
• cleanliness inspection is deemed necessary.

The staff member will knock and identify him/herself before entering.

**Move-In and Move-Out**

**Residence College Move-In** — Residents of each room are responsible upon Move-In to arrange a convenient time with their RA to inventory the room and to fill out a Room Condition Form. Students are responsible for the appearance and care of their room.

**Residence College Move-Out** — When a student is moving out of his or her room, it is his or her responsibility to set up a time with his/her Resident Assistant to check out of his/her room. Prior to check-out, the resident is responsible for emptying the room of all personal belongings and trash. The room must be in “Model Ready Condition;” all furniture and University property must be arranged properly and must be cleaned. At the time of check-out, the Resident Assistant will once again inspect the Room Condition/Inventory with the resident and assess any Room Condition Charges, if applicable.

**Husky Village Move-In** — Within forty-eight hours of Move-In, each resident must complete and return to the Housing Office a Move-In Inventory and/or a Unit Condition Report form. Any and all defects and damages reported must be noted, and a written work order must be completed. Otherwise, the premises, fixtures, appliances and furniture will be considered to be clean, safe, and in good working condition.

**Husky Village Move-Out** — When a resident leaves, whether at or prior to the ending date of his or her lease, the apartment, including, but not limited to the windows, bathroom, patios, balconies, and kitchen appliances in the Common Areas, must be clean and in good repair and condition, reasonable wear expected. Failure to clean, or damaged or missing appliances will result in reasonable charges to complete such cleaning, repair, or replacement. A walk-through should be scheduled with the staff prior to move out. Failure to schedule a walk-through indicates an agreement to accept assessment of damages and charges upon inspection by the Housing Office staff. The final determination of damages will be made by management staff who may not inspect your room or apartment until after you have moved out.

Residence Life Community Guidelines

Alcohol Policy — Possession or consumption of alcohol is not permitted anywhere on campus by any individual. Alcohol-related conduct that ignores the rights of others to a quiet, orderly living environment is not acceptable. For further information, please see “Alcohol Policy” in the University Policies section.

Chronic Misbehavior — A resident establishes an unacceptable pattern of misconduct when he or she is frequently in trouble, though individual offenses might be minor. A pattern of recalcitrance, irresponsible conduct, or manifest immaturity may be interpreted as a significant disciplinary problem. Generally, the third violation of policy will result in a referral for eviction/termination of contract.

Drugs & Illegal Substances — Use, possession, and/or distribution of drugs and/or illegal substances is strictly prohibited and may result in eviction and referral to the University discipline officer and/or law enforcement agencies. This includes possession of any drug paraphernalia.

Failure to Comply — Residents must comply with all written and verbal requests and instructions from Residence Life, housing staff, and University officials. This includes requests to produce valid identification. Failure to comply may result in disciplinary action and/or fine.

Firearms/Weapons — Firearms and other weapons are not allowed on the property. Residents and their guests must comply with all federal, state, local and University laws and regulations pertaining to all weapons including, without limitation, explosives, bows and arrows, illegal knives, martial arts weapons, air rifles, BB guns, or any other object that can be construed as a weapon.

Implied Consent — All students in a room/area will be held responsible for their behavior/objects in that room or area. In addition, residents who are not observed participating in misbehavior or in possession of inappropriate items/objects, but are in the presence of a policy violation, can be held responsible. This is called “Implied Consent.” If a resident is not present, he/she will be held responsible unless it can be clearly demonstrated that he/she had no knowledge of the violation.

Loss of Property — The University assumes no responsibility for damages and/or loss of personal property due to theft, fire, destruction, acts of God, etc. Students are advised to check with their parents/guardians regarding their insurance coverage. Students are encouraged to get renters’ insurance or contact the HBU Housing Office for details. Students are reminded that any belongings left in Campus Housing after moving out will be disposed of by the University.

Minor Children — Residents are required to supervise at all times any guests on the property who are minor children. Babysitting is not permitted in any on-campus housing. Guests under the age of 16 are not allowed to stay overnight.

Noise Policy — Residents and their guests must respect the rights of others at all times by behaving in a manner that is conducive to sleeping and studying. High volume sounds from home and car stereos, televisions, electrical instruments, and such are not permitted. Residents are expected to show consideration and courtesy to others at all times.

Quiet Hours — In order to meet the many requests of resident students for a better living and learning environment on campus, the hours between 10:00 pm to 10:00 am have been set aside as quiet hours for residents to relax, study, and sleep.

Posting — All signs and posters must be pre approved by the HBU Student Affairs department before being posted. If approved, posters, signs, and other items should only be posted in designated areas.

Roommate & Neighbor Conflict Resolution — All residents agree to abide by the following process:

a. The complaining resident will discuss the problem with an RA/RD; the staff will give tips on how to talk with the roommate/neighbor; the complaining resident will address the concern directly with the roommate/neighbor.

b. Our staff will follow up with the complaining resident. If the problem remains, a resolution meeting will be held among roommates/neighbors and our staff. A roommate/neighbor contract may be formulated to help arrive at resolution.

c. Our staff will follow-up and revise the roommate/neighbor contract if needed.

Only after our staff feels that the roommate/neighbor resolution process has been given full opportunity to resolve the issue will changes in room or apartment assignments be considered. Failure to get along with roommates/neighbors is not grounds for lease termination.

Solicitation — No student is to permit his or her room to be used for any commercial purpose. Soliciting in the Residence Colleges or on University grounds is forbidden without the expressed written permission of the Vice President for Student Affairs. Campus organizations must obtain permission from the Residence Life Office to sell or conduct meetings in the Residence Colleges.

Smoking — HBU is a smoke-free campus. Smoking is prohibited anywhere on University premises except for the confines of private vehicles.

Verbal and/or Physical Abuse — Residents and guests are to treat all neighbors, apartment mates, visitors, Residence Life, housing staff, and University officials with courtesy and respect. If the maintenance staff must clean an apartment to assure sanitary conditions, the responsible resident must reimburse the Housing Office for all costs incurred.

**Room Furniture** — University furniture in a given room must remain in that room. Residents are responsible for all University property assigned to their rooms and will be billed at the end of the semester/academic year for missing or disassembled items.

**Parking Areas & Permits** — All vehicles operated on the University property must be registered at the University Police Department. A resident may have one vehicle registered in his or her name or his or her parent's name parked on-site at any time. Husky Village residents receive a parking tag from the Housing Office which should be displayed on the rear view mirror at all times. Commercial vehicles, boats, campers, trailers or large recreational vehicles may not be stored on the property, even temporarily, without prior written permission. All vehicles that have not been properly registered may be towed at the owner's expense. Vehicles may not be maintained, repaired, or washed on the property.

**Motorcycles** — Motorcycles and all other motorized two or three-wheeled vehicles must be licensed for operation on public roadways and must be registered at the University Police Department. These types of vehicles may not be allowed on the property. However, if permitted, the vehicle must be parked in a parking space.

Academic Advising

The advising process is designed to help the student make important decisions related to academic and career progress. All HBU students should become familiar with their advisor and the advising process. Below are some guidelines to follow to make the advising process a successful part of the HBU experience.

At the time a student is accepted to HBU, a faculty academic advisor(s) is assigned based on the student’s major(s). The faculty advisor assists the student in planning educational and career goals.

Students may see advisors to
- discuss academic successes, failures, or other issues that may affect academic progress;
- select courses for each quarter;
- file a degree plan;
- discuss educational and career goals; and
- provide personal encouragement and support.

The faculty advisor's responsibility to the student is

- to assist the student in attaining educational and career goals.

The student's responsibility to the faculty advisor is to
- come to the advising sessions prepared and ready to ask questions,
- be knowledgeable about HBU academic polices and procedures,
- know the office hours and location of advisors,

- keep scheduled appointments on time or cancel in advance,
- accept responsibility for academic decisions,
- seek assistance before experiencing academic difficulty, and
- share information about educational and career goals.

Students may wish to spend some time investigating fields of interest, majors, and careers. Advisors or staff members in the Enrichment Center or the Office of Academic Success and Advising are available for assistance in exploring majors and careers.

The ROTC program prepares the individual to pursue either a military or a civilian career. Tuition is charged for these courses at the current Houston Baptist University undergraduate tuition rate. Two and three-year ROTC scholarships are available. Veterans may enroll directly into the Advanced Course, and there is a two-year program for those students completing their second year of studies.

Interested students should contact the Army ROTC Unit, University of Houston, Houston, Texas 77204-5320 (713-743-3875).

Hours of Service
Health services are provided Monday-Thursday, 9 a.m. - 3 p.m. and Friday, 9 a.m. - 12 noon. The last patient will be seen at 15 minutes prior to the scheduled closing time. Either a nurse practitioner, nurse, or physician will be available to see students on a first-come, first-serve basis.

Non-emergency visits to the Student Health Center should be made at times that do not conflict with the student’s class schedule.

Clinic hours are posted as “sick call” and published quarterly.

“Sick Call” Registration Procedure: Upon presentation for “sick-call,” the student must present a student ID card for current enrollment verification and follow the outlined sign-in procedure posted in the clinic. The student will be seen on a first-come, first-served basis unless a change is deemed necessary by Student Health Service personnel.

“Sick Call” Discharge Procedure: Once seen by the provider, the student will pay for services rendered based on a posted fee schedule. Subsequent consultation, prescriptions, and/or referrals will also be determined prior to discharge from the clinic.
Student Records Policy

Admission Records
All students are required to complete a Student Health Record prior to admission to the University. The form is provided by the Office of Admissions or the Student Health Services. Records will be retained for an undetermined period of time. Charts, Progress Notes, Confidential Records, and notes for student visits will be retained for a minimum of five years past graduation.

Copies of Incident / Accident reports completed by HBU Police according to the protocol established by the Medical Emergency Procedures Team will be retained for an undetermined time by the Director of Student Health Services.

Release of Records
A student must sign a formal “release of records” and pay a $20 copying fee to cover cost of materials and postage prior to any release of records, charts, or reports. To maintain confidentiality, records will be released to the patient. A current driver’s license is required to verify identification. Telephone requests for out-of-town students may be completed after the student faxes his/her signature and request in writing.

Health Insurance
Undergraduate students are automatically enrolled in a combination sickness and accident insurance policy — Basic Plan. A Supplemental Plan is optional for domestic undergraduate students but mandatory for international undergraduates with F1 visas who are unable to provide proof of comparable coverage. Accidents or Injuries
In the event of an accident resulting in injury, the University Police should be promptly notified at ext. 3911. This will help ensure maximum protection for students. All accidents and injuries will be handled according to the University Police’s Medical Emergency Policy.

Financial Responsibility for Health Care
The student is responsible for the payment of all financial obligations incurred for health care. Fees for services are posted outside the clinic and subject to change.
Student Publications

Houston Baptist University Media Guidelines
Editors of HBU’s student publications are expected to ensure that their publications advance ideals in keeping with the principles of a Christian university. Editors are expected to exercise sound judgment, responsibility, good taste, high ideals, and fair-mindedness.

The Collegian (Newspaper)
The student newspaper is housed in the Department of Communications and is published without prior restraint. It serves as a tool to prepare students for a professional career in journalism; therefore, students follow the “Model Code of Ethics for Collegiate Journalists” prepared by the Associated Collegiate Press. The adviser and the department chair serve as resource people on matters of University policy and journalistic practice. The University’s legal counsel is available for libel review.

The Ornogah (Yearbook)
The Ornogah, the official yearbook of the University, is published under the auspices of the Office of Marketing. The Ornogah is a student-produced publication which follows the guidelines of the Associated Collegiate Press. The publication’s goal is to accurately represent the history of the University. A concerted effort is made to include all campus groups, activities, and individuals.

The Ornogah is not a journalism lab. However, credit may be given for student portfolios in the Department of Communications based on the criteria set up by the department.

Transportation
A city bus operates on Fondren Road, the east boundary of the campus. Call Metro at 713-739-4000 or check metro schedules and routes on-line at www.ridemetro.org. Student-operated automobiles are permitted, and ample, convenient parking areas are provided by the University. Owners of all vehicles on campus are required to register their vehicle at the Student Affairs Office or Police Department and to follow parking regulations.

Refunds or Returns for General Merchandise - An HBU receipt is required for all returns or refunds. Refunds and returns of supplies, clothing, gifts, etc. must be completed within five days from the date of purchase. All original packaging or materials must be included. No refunds or returns will be granted for computer software, special orders, sale items, or any review books and study aids. Defective items should be returned immediately for replacement. University Store staff will determine if refunds or returns are permitted.

Refunds or Returns for Textbooks - An HBU receipt is required for all returns or refunds. Full refunds or returns will be allowed for seven days from the first day of class for fall, winter, and spring quarters and five days from the first day of class for each summer session. No refunds will be given and no returns will be allowed of any textbooks or course materials bought after the 7th day of class for fall, winter and spring quarters and after the 5th day of summer classes. No refunds or returns will be allowed on textbooks or course materials bought the week before and the week of finals. Only the buy-back price may be offered at this time. New textbooks must be clean, have no damaged corners, and be totally free of markings. All components must also accompany the book. Defective books should be returned immediately for replacement. University Store staff will determine if refunds or returns are permitted.

Textbook Information - All required and optional textbooks for each class are arranged alphabetically by course name, course number, and section. Bring your class schedule from registration to match course and section numbers with the information on the shelves. This will help ensure that you arrive at class with the correct book(s).

Textbook Buy-Back - Textbook buy-back is conducted in the University Store during the week of finals for fall, winter, and spring quarters and on two different dates for summer sessions. Days and times will be posted approximately two weeks in advance. Up to 50% of the purchase price will be paid for books that are 1) needed the following quarter, 2) a current edition of the book, and 3) in resalable condition. The amount paid for used books varies for the following reasons:
1. A new edition has been published making the edition being used at HBU obsolete and valueless.

2. HBU faculty member has not requisitioned the book for the current quarter, resulting in a wholesale price being offered.

3. The University Store has more supply than requests for the book. This also results in a wholesale price being offered.

Textbooks can be sold with some highlighting and writing in them. Workbooks and study guides must be returned in salable condition: all pages accounted for and free of any markings. Lab manuals, lecture notes, and non-bound materials cannot be sold back. The book buyer will decide which books are eligible for buy-back. The University Store cannot guarantee any resale value for textbooks purchased.

Other Services - The University Store also offers a variety of special services, including ordering class rings, graduation announcements, memorabilia, special order books, study aids for all majors, computer software and supplies, and much more. Check cashing is available at no charge. Checks may be written for a maximum of $20 cash. If you have any questions or concerns, please ask one of the University Store staff for assistance. Your comments and suggestions are always welcome. Call us at 281-649-3258 or visit us at www.hbubookstore.com.

University Police

It is the desire of the University to provide a safe and peaceful campus, free from fear or concern for one’s personal safety. Although this is a challenge in today’s society, the University is well-equipped to meet this and other challenges.

The Police Department in and of itself cannot guarantee every person’s safety. It requires the combined efforts of a professional police team along with the awareness and concern of all members in the University community. One of the major functions of the officers is to patrol the University campus 24 hours per day, seven days per week. The officers carry radios. Numerous Emergency Call Boxes, which ring directly to the University Police Department, are located around campus.

Another tool which is absolutely essential in order to maintain peace and safety on campus is the personal awareness of every member of the University community. It is essential that you remain aware of your surroundings and that you report any activity which seems out of the ordinary. The officers would much rather respond to a call that proved not to be of any consequence than to write an incident report after a situation occurs in which they had NO opportunity to intervene.

The officers of the Houston Baptist University Police Department are highly committed to this University and to maintaining the safety of every person. They take a personal interest in each and every person. Please help them help you.
How you can help:

- Report any suspicious activity by calling the University Police Department at extension 3911 or 281-649-3911, call on the Emergency Call Boxes, or stop by the Police Department located on the ground floor, south end, of the Hinton Center, Room H118.
- Allow the Police to be of service to you. Please call if you have a concern or desire a police escort to your vehicle or Residence College, especially at night.
- If you have fears for your personal safety or that of your personal property, talk to Chief Paula Aguirre or one of the other officers.
- Take advantage of the crime prevention presentations given on campus. Call the University Police at ext. 3314 for the time and location of the next presentation.
- If there is an emergency, remain as calm as possible, call ext. 3911, and give the dispatcher the facts as completely as possible. Make sure you give your name, location, and the nature of the emergency. Don’t hang up when the conversation is over: wait until the dispatcher hangs up. Remain calm and encourage others to remain calm.
- Report any theft, no matter how minor, to the Police Department.
- Read, understand, and abide by the parking and vehicle regulations. More than anything, they are written to protect you and your property.
- Communicate with the Police.

Campus Emergency Call Boxes

HBU’s security system includes numerous Emergency Call Boxes located in different areas on campus. They are generally identified by a blue light on top. These call boxes are available in an emergency situation. As soon as the button on the call box is PUSHED, the University Police are alerted and will respond through the speaker on the call box.

To report all emergencies (including medical) Call ext. 3911 on a campus telephone, or DIAL 281-649-3911.

Medical Emergencies

Should you have any type of medical emergency on campus, call ext. 3911 immediately. The HBU Nursing School has trained the officers to provide the quickest and most appropriate attention until the paramedics arrive. Contacting the Houston Fire Department or the University Clinic directly will only delay medical attention. Please call 3911 for any emergency.
Wellness Center

The Memorial Hermann/HBU Wellness Center provides excellent facilities, personnel, and opportunities that promote total wellness strengthening physical, social, psychological and spiritual health in individuals of every age. Membership to the Wellness Center is available to all undergraduate students enrolled on a full-time basis. Students enrolled for part-time coursework, graduate students, and Intensive English students have the opportunity to purchase memberships. Policies

AIDS

AIDS is an acronym for Acquired Immunodeficiency Syndrome, and is a disease caused by a virus that breaks down part of the body’s immune system, impairing a person’s natural defenses against a variety of illnesses, many life-threatening. HIV is a medical term for the virus that breaks down the body’s immune system. HIV is found in many body fluids and secretions of people who are infected, but respected medical authorities have determined that its transmission is solely through blood, semen, and female genital secretions. Current medical knowledge indicates that students and employees with HIV infection do not pose a health risk to other students and employees in an academic setting. The Public Health Service states that there is no risk created by living in the same place as an infected person, casual kissing, or swimming in the same pool with an infected person.

Education

There is as yet neither a vaccine to prevent HIV infection nor curative therapy for infected persons. Even though knowledge about limiting the consequences of established HIV infection is meager, what is presently known should be communicated through education consistent with the morals espoused by a Christian institution.

Policies Regarding HIV/AIDS

1. Individual Rights - The individual rights of all people in the Houston Baptist University Community shall be safeguarded. Therefore, a) the uninfected should be protected from undue risk of exposure to the disease, b) the infected should be protected against prejudice and denial of the reasonable opportunity for an education at the University, and c) the University condemns any and all actions of physical or emotional harassment toward the infected or those suspected of infection.

2. Policy Implementation - As stated above, current medical knowledge indicates that people with HIV infection do not pose a health risk to others in an academic setting. Therefore, until medical knowledge indicates a contrary conclusion, or unless health regulations or other laws require a different response, the policy of Houston Baptist University will conform to the following:

   - Admissions - No otherwise qualified individual will, solely by reason of his or her HIV/AIDS status, be denied admission to the University.
   - Attendance - Students with HIV/AIDS may attend regular classroom sessions. The University reserves the right to restrict a student on a case-by-case basis if a student has a contagious disease (including those
associated with or arising from AIDS) or if the individual’s behavior is disruptive or endangers the safety of health of other persons. Departments will establish safety guidelines for the handling of blood and bodily fluids in classroom settings in which analysis of these substances may be a part of the coursework, such as in nursing or biology classes.

- Access to University Housing and Facilities - Students with HIV/AIDS will have access to University housing and facilities. Restrictions will only be imposed on the basis of medical recommendations.

**Dance Policy-Students**

- Dances must be sponsored by registered student organizations or University departments and may be attended by all currently enrolled HBU students and guests of the HBU student attending the dance. HBU identification cards will be required of all currently-enrolled HBU students. Guests must show picture identification. Identification will be required of all attendees.
- Dances must be calendared with the Student Affairs department at least one month in advance.
- No dances may be scheduled on a Sunday. Dances that begin on Friday or Saturday evening must end by 1:00 a.m. the following morning. Any dances held Monday through Thursday must end at midnight. Only one on-campus dance will be allowed per week.
- University staff members will determine reasonable capacities for all facilities to be used during on-campus dances. These capacities must be strictly enforced. They may require limiting admission of latecomers until an appropriate number of persons currently in attendance at an event have departed.
- The University will determine the nature and extent of security required for each dance scheduled on campus by a student organization. The sponsoring organization shall reimburse the University for the cost of staffing and security, including overtime pay as required. The organization is responsible for security for the event, including issues related to tickets, parking, etc. The number of police needed will be based on the size of the facility and the number of people expected. The guideline to be used will be one officer for every 100 people or potential audience.
- Representatives of the student organization sponsoring a dance must meet with the appropriate University officials prior to the event and must agree to adhere to any special requirements that are imposed. Those present at the meeting should include, but should not be limited to, the president and faculty advisor of the organization, the Chief of HBU Police, and the Director of Student Activities. Failure of the organization to comply with pertinent University requirements, rules, and regulations, including those involving security and financial obligations related to the event, may result in the forfeiture of the privilege of scheduling events on campus.
• Signage with the rules of the dance must appear at every entrance. On the signs, there must be special notice that no alcohol or other drugs will be permitted.

• At the beginning of each dance, the student leaders and faculty advisor of the organization sponsoring the dance will introduce themselves to the police officers on duty and go over any special procedures for the given event. They will cover notification procedures in case of emergencies or incidents needing assistance. Members of the organization will be responsible for cleaning the facility at the close of the event.

• If an attendee or organization violates a University policy, the sponsoring organization leaders and advisor will inform the violator to leave. If ignored, then the HBU Police officers can order departure or the violator may be arrested for criminal trespass. If anyone chooses to violate state laws (e.g., fighting, intoxication, trespass, refusal to leave upon order of the HBU Police), he or she may be arrested and transported to jail. Appropriate reports will be filed with the criminal courts system and the University.

• All participants will conduct themselves in a manner consistent with the Christian mission and purpose of the University. Attire must be modest and not sensual in any way. All dancing (individual, couples, group/line, etc.) shall be in good taste and should not be sexually suggestive, profane, or in any other way inappropriate. Students and/or their guests will be asked to leave for non-compliance. Students’ actions may also be addressed via the University disciplinary process.

• The faculty advisor and student leaders of the organization must be present for the duration of the dance.

• The sponsoring student organization will be held responsible for the conduct of all attendees.

• An appropriate covering for the floor must be used for all indoor dances, regardless of the location of the dance. The sponsoring organization is responsible for procuring and paying for the rented dance floor. The rented covering must be approved by HBU Facilities Management prior to being placed in the dance location. Outdoor dances (parking lots, grass areas, etc.) do not require a rented floor.

**Facilities**

University facilities are well-maintained and their security given consistent attention in the interest of students, staff, and faculty. Cultural, educational, professional, and athletic events are held in University facilities that are open to the public. Other facilities such as the Bookstore and HBU Dining Services are likewise open to community visitors.

At our campus, administrative and academic buildings are open from 8 a.m. until 10 p.m., Monday through Friday. Student organizations are to terminate
their meetings held on weeknights by 10 p.m. Academic buildings are scheduled to be open on weekends only as needed. Access to individual classrooms and laboratories is limited to those enrolled. Access to University Residence Colleges is limited to residents through a code lock system. During the times that the University is officially closed, University buildings are locked and only faculty, staff, and students with proper I.D. are admitted. Clearance to others is granted through the University Police Office.

Use of University Facilities
HBU recognizes a fundamental responsibility to its community and, therefore, when possible, leases its available facilities when not required for use or work by the University. Recognized student organizations may schedule space without cost. Non-university sponsored events may include:

- legally established organizations for presentation of educational, professional, cultural, and musical programs;
- conferences, workshops, seminars;
- individual recitals, weddings, receptions; and
- camps, athletic events.

Facilities may not be used for any non-Christian religious purposes.

With the exception of classroom assignments facilitated by the Vice President for Academic Affairs, ALL use of campus facilities must be scheduled on the University Calendar.

If there is any damage to the scheduled facility (conference rooms, classrooms, athletic complexes, buildings, grounds, etc.) during the event, the individual or organization will be held liable for costs incurred by the University to make repairs. The University is not liable for items lost during or in connection with these activities.

For external groups, standard fees are charged to defray costs of facility usage, equipment rentals, audio/visual needs and maintenance.

Scheduling of Facilities
All facilities and meeting spaces on campus are calendared and scheduled through the Director of University Events & Conferences. Student events must be approved by the Office of Student Affairs prior before they can be scheduled on the University Calendar.

Calendar requests are to be made at least five working days in advance.

1. Calendar Request - When planning an event/meeting, you must first check the University Calendar to ensure the space is available. This includes any outdoor activities as well as tables/space in the Student Center, Sharp Gymnasium Foyer and Hinton Center Rotunda.

Next, complete and submit the Student Calendar Request form, located under Forms in the HBU Portal at http://my.hbu.edu.
The form will be electronically transferred to Student Affairs for approval. Once approved, the request will be forwarded to the Office of University Events and Conferences. The Director will then post the approved event on the University Calendar.

Notification of change/cancellations should be made by calling the Director of University Events & Conferences at 281-649-3047, e-mailing a notice to events@hbu.edu, and contacting Facilities Management at 281-649-3442 to cancel set-up.

2. **Facility Set-up Request** - This request is made in addition to the Calendar Request form for any event requiring special arrangements/set-up. The facility set-up request form must be submitted to Facilities Management **at least five working days prior to the event**.

3. **Media Request** - Contact Media Services at 281-649-3000, ext. 2465, for audio/visual needs.

4. **Food Services/Table Linens** - Contact HBU Dining Services at 281-649-3259.

**Family Educational Rights and Privacy Act (FERPA)**

In compliance with the Family Educational Rights and Privacy Act (FERPA), HBU cannot release personally identifiable information to any person other than the student, unless written permission is given for the University to do so. Students may give permission for their educational records to be released to designated parties by completing the "Transcripts Request Form" in the Registrar's Office.

In general, no personally identifiable information from a student's education records will be disclosed without written consent from the student. This includes, but is not limited to, grade reports, academic schedule information, and transcripts. Two exceptions may, however, be made: (1) directory information may be released unless the student requests that it be withheld, as explained in the section below; (2) records may be disclosed to parents of students who depend upon them as defined by Internal Revenue Code 1986, Section 152.

HBU has designated the following student information as public or “directory information”: name; local and permanent addresses; telephone numbers; e-mail addresses; date and place of birth; classification; major field(s) of study; classification; dates of attendance; degrees, honors, and awards received; most recent educational institution attended; participation in officially recognized sports and activities; weight and height of athletic team members; and photographs.

At its discretion, the institution may disclose such information for any purpose. Any new or currently enrolled student who does not want his/her directory information disclosed should notify the HBU Registrar in writing by using the **FERPA Request to Withhold / Release Directory Information form**. Such notification must be received by the end of the first full week of classes for any
The request to withhold directory information will remain in effect as long as the student continues to be enrolled or until the student files a written request with the HBU Registrar to discontinue the withholding. To continue nondisclosure of directory information after a student ceases to be enrolled, a written request for continuance must be filed with the HBU Registrar during the student's last term of attendance. HBU assumes that failure on the part of any student to specifically request the withholding of categories of "directory information" indicates individual approval for disclosure.

**University Vehicles - Scheduling**

**General Statement**

University-owned vehicles are available on a first-come, first-served basis provided the request for use has been made in a timely manner and in accordance with the guidelines established by Facilities Management. When multiple requests have been made, priority will be given to “Level 1” groups (please see definition below).

**Level 1**

This group includes those whose activities and trips are initiated or required by the University. Funding of the trip would typically be provided in part or fully by the University. If a University vehicle is not available, then Facilities management will procure a vehicle to satisfy the request (provided the request has been made according to established guidelines). Level 1 groups may include, but not necessarily be limited to, academic, athletic, rec. team, residence life, choral, faculty/ staff, etc. Any clarification on whether a group is Level 1 will be determined by the Student Affairs Office.

**Level 2**

This group includes all other groups, such as HBU-chartered clubs, organizations, academic classes, etc. If a University vehicle is not available, then Facilities Management will procure a vehicle to satisfy the request (provided the request has been made according to established guidelines). If a non-University vehicle is used, the group will be responsible for payment. Payment may be made directly to the University or via an internal accounting transfer.

**Guidelines (these apply to both Level 1 and Level 2)**

- The organization must reserve a vehicle in advance and in accordance with the established procedures of Facilities Management, 281-649-3442.

• All drivers must be at least 21 years of age to drive a vehicle, whether HBU-owned or rented.
• A reservation may not be made unless the following criteria are met:
  a) a copy of the individual’s TDL is on file with Facilities Management,
  b) the driver has taken and passed an online driving test, and
  c) the driver has a clear MVR (will be run by Facilities Management).
• If the trip is to exceed six hours, the group must have a minimum of two approved drivers per vehicle.
• Drivers will obey all laws, ordinances, etc. in the operation of University vehicles.

Student Affairs, 281-649-3238, or Facilities Management, 281-649-3442

**Grievances**

Houston Baptist University maintains an open door policy regarding your concerns. If you have a suggestion or concern, or if you are dissatisfied with a University policy, the grievance process is as follows:

You are asked to submit the grievance in writing to the Assistant Vice President for Student Life. The Assistant Vice President for Student Life may elect to address the grievance himself and/or refer action to appropriate personnel. The student who submitted the grievance will be notified of the Assistant Vice President’s decision or referred to the appropriate Vice President for action, and the Office of the Assistant Vice President for Student Life will maintain documentation files on the grievances submitted and subsequent action taken.

If you have a suggestion, please submit it in writing to the Student Senate.

**Hazing**

No annoyance of a student by playing abusive or ridiculous tricks, harassing or aiding or abetting in such behavior, which would cause physical, mental or emotional harm, or which involves violation of a statutory law, shall be allowed. A student or an organization may be found to have engaged in acts of hazing even when the acts are not subject to the provisions of state law.

For a number of years the Laws of the State of Texas have contained a provision that makes hazing unlawful. The provisions of Subchapter F. of the Education Code (Section 37.151 to 37.157) are made applicable to certain institutions of higher education under Section 51.936 of the Higher Education Code. These
statutes are available at the reference desk in Moody Library using the CD-ROM version of Vernon’s Annotated Texas Statutes. The statute specifies a number of activities that may constitute hazing under the law. Generally, these activities are directed against a student by other students or a group of students when the student is “pledging, being initiated into, affiliating with, holding office in, or maintaining membership in an organization.”

Hazing offenses may be either personal (including engaging in hazing and failing to report hazing, both of which as Class B Misdemeanors are punishable by fine and/or jail time) or organizational (including activities of organization alumni - subject to a fine of $5,000 to $10,000). Consent is not a defense against a hazing charge and immunity from prosecution is available where there is a formal investigation and involved students testify for the prosecution.

**Poster Policy**

The policies listed below were written and implemented in an effort to communicate news, events, opportunities, and policies on campus with minimum clutter. Failure to observe these guidelines may result in a minimum $25 fine and/or other disciplinary measures, including removal of flyers.

- All posters/signs must be stamped “Poster Approved” by the Student Affairs Office.
- Posters will be posted in appropriate bulletin board spaces only.
- Information may not be posted in bathrooms, on glass doors, stair steps, columns, or on any painted surfaces.
- Kiosks will have only HBU-related information posted. Information to be posted in the kiosk can be submitted to the Office of Student Affairs. Please provide 3-5 copies.
- Posters/signs should be in good taste and not include references to alcohol, tobacco products, inappropriate sexual references, or connotations.
- All information posted must be consistent with the Christian mission and purpose of the University.
- Posters/signs should give accurate information regarding events (place, date and time) and be consistent with the University Calendar.
- Because of limited space, the sign/poster should be no more than 8 1/2" x 11".
- The maximum banner size is 4’x8’. These may be hung on the cable along the upstairs railing in the M.D. Anderson Student Center.
- Distributing flyers on car windshields is prohibited. Police should be notified immediately if this is detected.
- All posters must be removed as soon as the event is over.
- Chalk messages may be posted/created only in open, uncovered areas.
Search and Seizure

Institutional searches may be authorized by the Vice President/Assistant Vice President for Student Life if there is reason to believe that it is more likely than not that items which are in violation of University policy (re. drugs, alcohol, master keys, guns, weapons, stolen property, etc.) are present in a specified location. The University also reserves the right to use a search warrant issued by civil authorities if deemed necessary or appropriate.

Sexual Harassment

What is Sexual Harassment?

Sexual harassment is a form of discrimination in violation of Title VII of the Federal Civil Rights Acts of 1964. Such behavior has the potential of threatening an individual’s academic performance, economic livelihood, career advancement, psychological and spiritual well-being, as well as Houston Baptist University community life. The Federal Equal Opportunity Commission guidelines clearly define sexual harassment:

Unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature constitute sexual harassment when:

• submission to such conduct is made either explicitly or implicitly a term or condition of an individual’s employment or academic advancement,
• submission to or rejection of such conduct by an individual is used as the basis for employment decisions or academic decisions affecting such individual,
• such conduct has the purpose or effect of unreasonably interfering with an individual’s work or academic performance or creating an intimidating, hostile, or offensive working or learning environment.

Sexual harassment most often occurs in situations where one person abuses the power he or she has over another person, thereby violating the boundaries and trust implicit in that relationship. However, harassment can also occur between equals (i.e., student to student). Any member of the Houston Baptist University community is a possible victim of sexual harassment, although historically women are most often victimized.

Sexual Harassment Can Involve

• Professor and professor
• Professor and student
• Supervisor/superior and employee
• Employee and employee
• Student and student
• Other relationships among colleagues, peers, and co-workers
Sexual Harassment Can Take Many Forms

- **Verbal harassment** may include innuendo, humor, and jokes about sex or gender-specific traits and implied or blatant verbal threats.
- **Physical harassment** may include offensive contact (patting, pinching, brushing against the body, etc.), blocking movement, attempted or actual fondling or kissing, or any other form of coerced sexual contact. (A separate section on sexual assault follows the harassment information.)
- **Non-verbal harassment** may include insulting whistling, gestures, or leering.

How To Deal With A Sexual Harassment Situation

HBU takes sexual harassment complaints by students, faculty, administration, and staff very seriously. Sexual harassment hurts our whole community when it occurs. In addition to violating the law as well as University policy, it violates the University goal of developing a community where relationships are based on trust and mutual respect.

Any student who believes he or she is being harassed, or who otherwise feels in need of advice or support, is encouraged to immediately see one of the following people:

- Vice President for Student Affairs
- Assistant Vice President for Student Life
- Dean of Students
- University Chaplain/Director for Spiritual Life
- Director of Student Ministry
- Director of Residence College
- University Counselor
- Director of Human Resources

Faculty, administrators, and staff who believe they are being harassed or feeling in need of advice are encouraged to see the Director of Human Resources as soon as possible.

Students are encouraged to seek assistance even if they are unsure that what they are experiencing is sexual harassment. Do not allow sexual harassment to jeopardize your rights and opportunities as a student here at Houston Baptist University for work or education. The University wants to work with students to attempt to resolve sexual harassment issues but cannot do so unless reports are received by the appropriate personnel listed above.
Smoke Free Campus Policy

The University has elected to strengthen the Smoke Free Campus Policy. Effective September 1, 2006, the new policy prohibits smoking anywhere on University premises except for the confines of private vehicles.

Consistent with the University’s commitment to health and wellness education, information regarding cessation programs and the health risks of smoking is available in the Student Health Center, located in the Student Affairs Suite of M.D. Anderson.

Parking Regulations

General Regulations

Houston Baptist University has adopted a parking and traffic program to create an orderly traffic flow and equitable parking conditions on campus. Your personal safety, the recognition of the needs of others, campus appearance, and applicable laws were considerations in the formulation of these regulations. The program is administered by the Houston Baptist University Police Department, Hinton Center, Room 118 (281-649-3314).

Faculty and staff may obtain their parking permits from the University Police office. All students should secure their permits from the Student Affairs Office. There is no additional fee for parking permits. Every vehicle on campus must be registered. Short-term registration is available through the University Police Department.

Possession of a parking permit is not a guarantee of a parking place in a specific lot. To park on University property you must have a permit. You may park anywhere your permit allows. A student permit allows you to park in lots 1, 2, 3, 4, 5, or 6. Husky Village Apartments lots 6 and 7 require special permits. A faculty/staff permit allows you to park in any available, unassigned space. Parking regulations are enforced Monday-Friday from 6 a.m. to 6 p.m.

Visitor parking is available in several locations. Visitor parking for more than one hour is not permitted in any space labeled “Short Term Parking - Limit One Hour.” Failure to display either a permanent or temporary permit does not allow parking in visitor places. License plate numbers of vehicles parked in visitor parking will be monitored and citations for parking in a visitor space and failure to secure a parking permit will be issued to vehicles belonging to students or their families.

Handicapped parking is available in designated parking spaces. Parking in handicapped parking places is not allowed without the handicap permit. A University permit is not required where the vehicle is issued special handicap identification by the state.

No Parking Areas include the loading dock behind the Anderson Student Center, fire lanes, no parking zones, the grass, sidewalks, along curbs or any spot that would disrupt pedestrian or vehicular traffic.
Emergency Call Boxes are located in lots 1, 2, 3, 5 and 6. You may use Emergency Call Boxes for auto assistance as well as emergencies. For assistance, please call ext. 3314.

Only construction personnel may park in construction areas.

**Vehicle Registration**

Anyone (except visitors) who operates a motor vehicle on Houston Baptist University property must register that vehicle. Motorized wheelchairs and authorized University vehicles and equipment are exempt.

**Handicapped** - The University honors all official handicap permits.

**Special Areas**

**Sharp Gym** - Parking is restricted to special permits issued by the Athletic Director. All others are subject to towing.

**Glasscock Center** - Parking behind the Glasscock is restricted to maintenance personnel only. All others are subject to towing.

**Loading Zones** - These areas are reserved for loading and unloading objects into and from your vehicle. All loading zones are restricted to a maximum 20-minute time limit. Student or faculty usage requires prior approval from the University Police; call 281-649-3314 to request approval.

**Bicycles and Motorcycles** must be parked in designated areas.

**Residential College Parking Lots** are restricted to residents who have secured proper permits authorizing the use of these lots.

**Campus Traffic**

**Sidewalks** - Only emergency and University vehicles authorized by the University Police are permitted access to the sidewalks. Policies pertaining to vehicular use of sidewalks are in effect 24 hours per day, seven days per week.

**Enforcement**

University police officers have the authority to issue citations 24 hours per day, seven days per week. Citations can be a warning citation or a University citation. Both warning and University citations are recorded in the Police Office. Citations can be issued for any of the following violations:

Student Conduct

Preamble

A. Philosophical Approach

Houston Baptist University has chosen to set itself apart for the purpose of preparing students for meaningful lives and work and for service to God and the peoples of the world. The University is dedicated to the development of moral character, the enrichment of spiritual lives, and the perpetuation of growth in Christian ideals. Spiritual maturity, strength of character, and moral virtue are considered foundational for successful living. The University shall stand as a witness for Jesus Christ expressed directly through its administration, faculty, and students.

Students, by their voluntary membership in this Christian community, assume responsibility to abide by all the standards, rules, and regulations of the University, as well as to use personal discretion involving any activities which may be morally or spiritually destructive or reflect poorly on the campus community. All members of the campus community share mutual responsibility for confronting actions that violate established standards for conduct or reflect poorly on the University. It is essential that this confrontation is exercised in a spirit of love and gentleness—a hallmark characteristic of biblical Christianity.

The Student Conduct Code serves the educational mission of the University in achieving the aforementioned objectives. Community standards, policies and regulations, and the Student Discipline System are in place for the expressed purpose of moving students towards personal maturity and creating an environment that is conducive to academic learning, personal development, and spiritual growth.

The Student Discipline System is an educational process, not a legal proceeding. The disciplinary process always attempts to confront misconduct in an educative posture that the student might learn from the experience, respond to the correction, and be reconciled to the community whenever possible. The disciplinary system provides University personnel opportunities to educate students and to help them attain better decision-making, character formation, and spiritual maturity. The effectiveness of these teachable moments requires that each student be treated with equal care, concern, honor, fairness, and dignity.

B. Biblical Principles

It is our natural inclination as human beings to resist discipline and accountability, but the Bible admonishes its reader to embrace them both as beneficial and an essential attribute of a Christian community. The following scriptures are among only a few that speak on this topic:

My children, do not despise the Lord’s discipline and do not resent his rebuke, because the Lord disciplines those he loves, as a father the child he delights in. Proverbs 3:11-12
Do not make light of the Lord’s discipline, and do not lose heart when he rebukes you, because the Lord disciplines those he loves, and he punishes everyone he accepts as a son. Hebrews 12:5-6

No discipline seems pleasant at the time, but painful. Later on, however, it produces a harvest of righteousness and peace for those who have been trained by it. Hebrews 12:11

If any person is overtaken in misconduct or sin of any sort, you who are spiritual—who are responsive to and controlled by the Spirit—should set him right and restore and reinstate him, without any sense of superiority and with all gentleness, keeping an attentive eye on yourself; lest you should be tempted also. Galations 6:1

Article III: Proscribed Student Conduct Code

A. Jurisdiction of the University Student Conduct Code

The University Student Conduct Code and Community Standards shall apply to conduct that occurs on University premises, at University-sponsored activities, and to off-campus conduct that is deemed to adversely affect the University community and/or the pursuit of its objectives. Each student shall be responsible for his or her conduct from the time of application for admission through the actual awarding of a degree, even though conduct may occur before classes begin or after classes end, as well as during the academic year and during periods between terms of actual enrollment (and even if his or her conduct is not discovered until after a degree is awarded).

The Student Conduct Code shall apply to a student’s conduct even if the student withdraws from school while a disciplinary matter is pending. The Vice President for Student Affairs shall decide whether the Student Conduct Code shall be applied to conduct occurring off campus, on a case-by-case basis, at his or her discretion.

B. Community Standards

“Community Standards” refer to general guidelines or biblical principles that are represented in University policies and expectations for the conduct of community members. They may be articulated in written or spoken directives or may be implicitly understood as “common sense” or basic to Christian teaching or practice. The following Community Standards are not meant to be an exhaustive list, but rather touch on topics of particular concern, interest, or conflict with contemporary culture.

1. Integrity and accountability. Members of the campus community are expected to maintain lives of integrity regarding biblical principles and standards of conduct adopted by the campus community. The University firmly believes that mature individuals submit themselves to accountability within a community of persons and take responsibility for actions that violate that covenant relationship. Members are equally responsible to bring to bear accountability where there is knowledge that fellow members are violating community standards for conduct and should exercise such action in humility with concern for the offender.

2. Affirmation of diversity. The University recognizes the influence that diversity has in shaping the unique contributions of community members. The University is committed to affirming these contributions and creating opportunities for synergistic reasoning and insights. This commitment is based on a belief that community members should be able to maintain their unique distinctiveness while sharing mutual respect and dignity for the experiences and beliefs of others. Consistent with its educational objectives, the University refrains from endorsing or permitting conduct deemed to be in conflict with biblical principles or expressions of non-Christian religious worship or ceremony on University premises or at University-sponsored gatherings.
3. **Sanctity of life.** The University embraces a biblical position which honors the sanctity of life. Consequently, the University cannot support actions which encourage or result in the termination of human life through suicide, euthanasia, or abortion-on-demand. The University’s belief in the sanctity of life influences its response to those students who are involved in a crisis pregnancy. The campus community is prepared to stand with both the father and mother of the unborn child as they consider the results of their actions and experience forgiveness that comes from genuine repentance. Subsequently, abortion is not advised or entertained as an alternative solution. The University is committed to assisting the student(s) with other alternatives. Continuity of on-campus student residency will be considered in light of what is best for all those impacted by the pregnancy. As always, persons in such a crisis will find University officials supportive and redemptive.

4. **Sexual harassment.** The University desires to maintain a working and learning environment free from the sexual harassment of its community members and guests. Any behavior determined to constitute sexual harassment will be viewed as neither complimentary nor humorous and will be subject to disciplinary action. The University recognizes that the perception of sexual harassment behavior is often subjective and that the circumstances surrounding the conduct, as well as its pattern, frequency, and severity need to be considered in assessing the behavior. Although statistical analysis has shown that sexual harassment is usually committed by an individual in a position of power or influence, sexual harassment can occur between any two individuals regardless of gender, employment status, work relationship, or academic association. Sexual harassment may be verbal, graphic, written or physical in nature. Each may be grounds for disciplinary action.

C. **Policies and Regulations**

1.0 **Administrative Policy.** The following are prohibited:

4.10 Drugs. Use, possession, manufacturing, or distribution of marijuana, heroin, narcotics, or other controlled substances except as expressly permitted by law. Possession of drug paraphernalia is also prohibited.

4.11 Alcoholic beverages. Use, possession, manufacturing, or distribution of alcoholic beverages. Facilitating or encouraging the off-campus use or possession of alcoholic beverages by persons less than twenty-one years of age is prohibited.

4.12 Intoxication or drunkenness. Under the influence of drugs or alcohol on University premises or at University-sponsored events.

4.13 Smoking. Smoking on University premises or at University-sponsored events, including cigarettes, cigars, pipes, and other smoking substitutes.

4.14 Disorderly conduct. Conduct that is disorderly, lewd, or indecent; breach of peace; or aiding, abetting, or procuring another person to breach the peace on University premises or at functions sponsored by, or participated in by, the University or members of the academic community. Disorderly conduct includes but is not limited to any unauthorized use of electronic or other devices to make an audio, visual, or video record of any person while on University premises without his/her prior knowledge, or without his/her effective consent when such a record is likely to cause injury or distress. This includes, but is not limited to, surreptitiously taking pictures of another person in a gym, locker room, or rest room.

4.15 Profanity and obscenity. Use of language, or verbal depiction of activity, that is vulgar, coarse, crude, or indecent.

4.16 Gambling. Any activity that involves betting, wagering, raffles, or games of chance for which there exists the potential of personal or financial loss. “Drawings” are permitted when entry into the drawing is free, an entry fee is optional, or a gift of approximate or greater value is received upon paying a participation fee.

4.17 On-campus dances. Any unauthorized dance sponsored by a University official or recognized student group. The University or a recognized student group may sponsor dance activities on or off University premises under the direction and supervision of assigned University personnel or advisors.
Dances are subject to University guidelines and community standards. Specific program guidelines and protocols are outlined in the “Dance Policy” (available in the Offices of Student Life and Student Affairs).

D. Violation of Law and University Discipline

1. Separate processes. University disciplinary proceedings may be instituted against a student charged with conduct that potentially violates both the criminal law and the Student Conduct Code (that is, if both possible violations result from the same factual situation) without regard to the pendency of civil or criminal litigation in court or criminal arrest and prosecution. Proceedings under this Student Conduct Code may be carried out prior to, simultaneously with, or following civil or criminal proceedings off campus at the discretion of the Vice President for Student Affairs. Determinations made or sanctions imposed under this Student Conduct Code shall not be subject to change because criminal charges arising out of the same facts giving rise to violation of University rules were dismissed, reduced, or resolved in favor of or against the criminal law defendant.

2. University cooperation with law enforcement. When a student is charged by federal, state, or local authorities with a violation of law, the University will not request or agree to special consideration for that individual because of his or her status as a student. If the alleged offense is also being processed under the Student Conduct Code, the University may advise off-campus authorities of the existence of the Student Conduct Code and of how such matters are typically handled within the University community. The University will attempt to cooperate with law enforcement and other agencies in the enforcement of criminal law on campus and in the conditions imposed by criminal courts for the rehabilitation of student violators (provided that the conditions do not conflict with campus rules or sanctions). Individual students and other members of the University community, acting in their personal capacities, remain free to interact with governmental representatives as they deem appropriate.

Article IV: Student Discipline System Procedures

A. Charges and Student Discipline Board Hearings

1. Charges. Any member of the University community may file charges against a student for violations of the Student Conduct Code. A charge shall be prepared in writing by the Complainant or interviewing University official and directed to the Student Discipline Administrator. Any charge should be submitted as soon as possible after a violation takes place, but no “statute of limitations” prevents the Student Discipline Administrator from acting when deemed warranted.

2. Investigation. The Student Discipline Administrator may conduct an investigation to determine if the charges have merit and/or if they can be disposed of administratively by mutual consent of the parties involved on a
basis acceptable to the Student Discipline Administrator. Such disposition shall be final and there shall be no subsequent proceedings. If the charges are not admitted and/or cannot be disposed of by mutual consent, the Student Discipline Administrator may later serve in the same matter as the Student Discipline Board or a member thereof. If the student admits violating institutional rules, but sanctions are not agreed to, subsequent process, including a hearing if necessary, shall be limited to determining the appropriate sanction(s).

3. Notification of charges. All charges shall be presented to the Accused Student in written form. A time shall be set for a Student Discipline Board Hearing at the discretion of the Student Discipline Administrator. In less serious cases, notice of charges may be given verbally at the same time the student has an opportunity to defend against those charges and/or reconcile his or her conduct.

4. Student Discipline Board Hearings. Hearings shall be conducted by a Student Discipline Board according to the following guidelines:

a. Student Discipline Board Hearings normally shall be conducted in private.

b. In Student Discipline Board Hearings involving more than one Accused Student, the Student Discipline Administrator, at his or her discretion, may permit the Student Discipline Board Hearings concerning each student to be conducted either separately or jointly.

c. The Complainant and the Accused Student have the right to be assisted by an advisor they choose, at their own expense. The advisor must be a member of the University community and may not be an attorney. The Complainant and/or the Accused Student is responsible for presenting his or her own information; therefore, advisors are not permitted to speak or to participate directly in any Student Discipline Board Hearing before a Student Discipline Board. A student should select as an advisor a person whose schedule allows attendance at the scheduled date and time for the Student Discipline Board Hearing because delays will not normally be allowed due to the scheduling conflicts of an advisor.

d. The Complainant, Accused Student, and their advisor(s), if any, shall be allowed to attend the entire portion of the Student Discipline Board Hearing at which information is received (excluding deliberations). Admission of any other person to the Student Discipline Board Hearing shall be at the discretion of the Student Discipline Board and/or its Student Discipline Administrator.

e. The Complainant, the Accused Student, and the Student Discipline Board may arrange for witnesses to present pertinent information to the Student Discipline Board. The University will try to arrange the attendance of possible witnesses who are members of the University community.
community, if reasonably possible, and who are identified by the Complainant and/or Accused Student prior to the Student Discipline Board Hearing. Witnesses will provide information to and answer questions from the Student Discipline Board. Questions may be suggested by the Accused Student and/or Complainant to be answered by each other or by other witnesses. This will be conducted by the Student Discipline Board with such questions directed to the Chairperson, rather than to the witness directly. This method is used to preserve the educational tone of the hearing and avoid creation of an adversarial environment. Questions of whether potential information will be received shall be resolved at the discretion of the chairperson of the Student Discipline Board. (Also see Article IV.A.7 for alternative methods of giving testimony.)

f. Pertinent records, exhibits, and written statements may be accepted as information for consideration by a Student Discipline Board at the discretion of the Chairperson.

g. All procedural questions and decisions are subject to the final discretion of the Chairperson of the Student Discipline Board.

h. After the portion of the Student Discipline Board Hearing concludes in which all pertinent information has been received, the Student Discipline Board shall determine (by majority vote if the Student Discipline Board consists of more than one person) whether the Accused Student has violated each section of the Student Code which the student is charged with violating.

i. The Student Discipline Board’s determination shall be made on the basis of whether it is reasonable to conclude that the Accused Student violated the Student Code. A higher standard determination shall be made on the basis of whether it is more likely than not to conclude culpability in cases likely to result in significant consequence. The University is not obligated to a legal standard of “beyond a reasonable doubt.”

j. Formal rules of process, procedure, and/or technical rules of evidence, such as are applied in criminal or civil court, are not used in student disciplinary proceedings. Reminder: The Student Discipline System is an educational process, NOT a legal proceeding.

5. Hearing records. There shall be a single written Administrative Review summarizing the Student Discipline Board Hearings before a Student Discipline Board, prepared or delegated and approved by the Chairperson or Student Discipline Administrator. The summary will be filed as a part of the student’s disciplinary record, available in compliance with FERPA guidelines for viewing and requesting copies. No audio or visual recording of disciplinary hearings is permitted by participants, except as provided for in Article IV.A.7 below.

6. Failure to appear. If an Accused Student, with notice, does not appear before a Student Discipline Board Hearing, the information in support of the charges shall be presented and considered even if the Accused Student is not present.
7. **Special accommodations.** The Student Discipline Board may accommodate concerns for the personal safety, well-being, and/or fears of confrontation of the Complainant, Accused Student, and/or other witness(es) during the hearing by providing separate facilities, by using a visual screen, and/or by permitting participation by telephone, videophone, closed circuit television, video conferencing, videotape, audio tape, written statement, or other means, where and as determined in the sole judgment of the Vice President for Student Affairs to be appropriate.

**B. Disciplinary Action**

Reconciliation to the community after a violation of the Student Conduct Code often requires some form of consequence for the action. Intermediate consequences are employed wherever possible to avoid expulsion from the University or on-campus Housing. Each incident is reviewed on a case-by-case basis, with consideration to 1) the severity of the violation, 2) the context of the incident, 3) a history of prior misconduct, 4) the responsiveness of the accused to accountability, and 5) the degree to which the individual displays genuine repentance.

Community members are encouraged to provide firsthand testimony that will bring greater clarity and understanding to the disciplinary process. While painstaking efforts are taken to maintain consistency from case to case and individual to individual, confidentiality often prevents the disclosure of details that contribute to a decision, occasionally resulting in unanswered questions regarding an outcome. Uninformed members of the campus community are asked to extend the benefit of the doubt to officials, knowing that prayerful consideration has been employed in the proceedings and the subsequent outcome.

1. **Sanctions.** The following sanctions may be imposed upon any student found to have violated the Student Code:
   
   a. **Verbal Warning**—Verbal notice to the student that the student is violating or has violated institutional regulations, accompanied by a request to desist and refrain from the misconduct.
   
   b. **Written Warning**—A notice in writing to the student that the student is violating or has violated institutional regulations, accompanied by a request to desist and refrain from the misconduct.
   
   c. **Loss of Privileges**—Denial of specified privileges for a designated period of time.
   
   d. **Fines**—Previously established and published fines may be imposed.
   
   e. **Restitution**—Compensation for loss, damage, or injury. This may take the form of appropriate service and/or monetary or material replacement.
   
   f. **Discretionary Sanctions**—Work assignments, essays, service to the University, or other related discretionary assignments.
g. **Probation**—A written reprimand for violation of specified regulations. Probation is for a designated period of time and includes the probability of more severe disciplinary sanctions if the student is found to violate any institutional regulation(s) during the probationary period.

h. **University Housing Suspension**—Separation of the student from University Housing for a definite period of time, after which the student is eligible to return. Conditions for readmission may be specified.

i. **University Housing Expulsion**—Permanent separation of the student from University Housing.

j. **Interim Suspension**—Requires that a student immediately leave University premises or a University-sponsored activity when it is fair and reasonable to believe that a student is an immediate threat to the safety of others or himself/herself or to the disruption of University operations. Conditions for return will be specified. (Also see IV.B.2.)

k. **Suspension**—Separation of the student from the University for a definite period of time, after which the student is eligible to return. Conditions regarding access to University premises, attendance at University-sponsored activities, and subsequent readmission may be specified.

l. **Dismissal**—Separation of the student from the University with no promise (implied or otherwise) of readmission at a future date. Conditions regarding access to University premises, attendance at University-sponsored activities, and subsequent consideration for possible readmission may be specified.

m. **Expulsion**—Permanent separation of the student from the University. Conditions regarding access to University premises and attendance at University-sponsored activities may be specified.

n. **Revocation of Admission and/or Degree**—Admission to, or a degree awarded from, the University may be revoked for fraud, misrepresentation, or other violation of University standards in obtaining the degree, or for other serious violations committed by a student prior to graduation. The endorsement of the appropriate governing body and approval of the President are required.

o. **Withholding Degree**—The University may withhold awarding a degree otherwise earned until the completion of the process set forth in this Student Conduct Code, including the completion of all sanctions imposed, if any.

2. **Interim suspension.** In certain circumstances, the Vice President for Student Affairs, or a designee, may impose a University or Housing suspension prior to the Student Discipline Board Hearing.

a. Conditions. Interim suspension may be imposed only:
CONDUCT

(1) To ensure the safety and well-being of members of the University community or the preservation of University property.

(2) To ensure the student’s own physical or emotional safety and well-being.

(3) If the student poses an ongoing threat of disruption of, or interference with, the normal operations of the University.

b. Campus access. During the interim suspension, a student shall be denied access to University premises (including housing and classes) and/or all other University activities or privileges for which the student might otherwise be eligible, as the Vice President for Student Affairs or the Student Discipline Administrator may determine to be appropriate.

c. Process. The interim suspension does not replace the regular process, which shall proceed on the normal schedule, up to and through a Student Discipline Board Hearing, if required, or subsequent appeal hearing, if exercised. However, the student should be notified in writing of this action and the reasons for the suspension. When timing necessitates a more immediate verbal notification, the written notification should be provided as soon as possible, thereafter. The notice should include the time, date, and place of a subsequent hearing at which the student may show cause why his or her continued presence on the campus does not constitute a threat (and at which he or she may contest whether community standards or a Student Conduct Code was violated.)

3. Guidelines for imposing consequences. The following guidelines attempt to establish some continuity in administering consequences for the violation of the Student Conduct Code. The Student Discipline Administrator will customarily employ the following guidelines in determining an appropriate consequence, unless there are circumstances that warrant an alternative response on the part of the University. Multiple sanctions may be employed for a single violation, and cumulative violations may result in greater consequences than a single offense.

a. Level 1 Violations—Minor violations likely to result in a minimum consequence of a verbal or written warning with additional sanctions, fine, or restitution on the first occurrence include, but are not limited to, the following examples:

- Violation of smoking policy
- Violation of burning objects policy
- Failure to respond to a request for appointment
- Procedural violations
- Minor abuse and damage to property
- Profanity and obscenity

Customary action: Verbal warning; written warning; loss of privileges, monetary fines, restitution, or discretionary sanction(s).
b. Level 2 Violations—Intermediate violations likely to result in a minimum consequence of probation or limited-term suspension with additional sanctions and conditions on the first occurrence include, but are not limited to the following examples:

- Significant damage to property
- Misuse of safety equipment
- Petty theft
- Sexual misconduct
- Cohabitation
- Violation of alcohol policy
- Intoxication or drunkenness

Customary action: Probation, multiple-day suspension, or suspension of privileges.

c. Level 3 Violations—Major violations likely to result in long-term suspension, dismissal, or expulsion on the first occurrence include, but are not limited to the following examples:

- Use or possession of controlled substances or illegal drugs
- Intentionally causing physical harm to another person
- Sexual assault
- Arson
- Grand theft
- Possession of a weapon or firearm

Customary action: Academic term suspension, dismissal, or expulsion.

4. “Zero Tolerance” for Drugs. In an attempt to create a conducive environment and influence lifestyle choices by which its community members may be successful in attaining the mission of the institution, the University takes an unequivocally firm stand regarding the possession, distribution, or use of controlled substances or drugs on campus, customarily resulting in a minimum suspension of one full academic year.

The Student Discipline Administrator may be released from the aforementioned mandate where deemed possible if the student has exposed the violation on his or her own with the intention of reconciling himself or herself to the community and submitting to structures of support and accountability.

5. Disciplinary holds. The Vice President for Student Affairs places a “hold” with the Office of the Registrar preventing subsequent enrollment when a student is suspended, dismissed, or expelled from the University. A permanent record of the disciplinary action is noted in the student’s academic record.

6. Disposition of disciplinary records.
a. Other than student disciplinary suspension, dismissal, expulsion, or revocation or withholding of a degree, disciplinary sanctions shall not be made part of the student’s permanent academic record, but shall become part of the student’s disciplinary record. Upon graduation, the student’s disciplinary record may be expunged of disciplinary actions other than Housing expulsion OR University suspension, dismissal, or expulsion OR revocation or withholding of a degree. All remaining disciplinary records may be expunged from the student’s confidential record seven years after graduation or separation from the University.

b. In situations involving both an Accused Student(s) (or group or organization) and a student(s) claiming to be the victim(s) of another student’s conduct, the records of the process and the sanctions imposed, if any, shall be considered to be the educational records of both the Accused Student(s) and the student(s) claiming to be the victim(s) because the educational career and chances of success in the academic community of each may be impacted. The Student Discipline Administrator may exercise discretion to do otherwise where reasonably appropriate.

7. **Group sanctions.** The following sanctions may be imposed upon groups or organizations:

   a. Those sanctions listed above in article IV.B.1.a-g.
   b. Loss of selected rights and privileges for a specified period of time.
   c. Deactivation. Loss of all privileges, including University recognition, for a specified period of time.

8. **Notification of disciplinary action.** In each case in which a Student Discipline Board determines that a student and/or group or organization has violated the Student Code, the sanction(s) shall be determined and imposed by the Student Discipline Administrator. In cases in which persons other than, or in addition to, the Student Discipline Administrator have been authorized to serve as the Student Discipline Board, the recommendation of the Student Discipline Board shall be considered by the Student Discipline Administrator in determining and imposing sanctions. The Student Discipline Administrator is not limited to sanctions recommended by members of the Student Discipline Board. Following the Student Discipline Board Hearing, the Student Discipline Administrator shall advise the Accused Student, group and/or organization, and a complaining student who believes he or she was the victim of another student’s conduct in writing of its determination and of the sanction(s) imposed, if any.

C. **Appeals**

1. **Initiating an appeal.** A decision reached by a Student Discipline Board or a sanction imposed by a Student Discipline Administrator may be appealed by the Accused Student(s) or Complainant(s) within three (3) academic school days of disciplinary notification. Such appeals shall be addressed to the respective Appellate Administrator in writing and shall be delivered to the Student Discipline Administrator. If after reviewing the appeal, the Student Discipline Administrator maintains the veracity of the disciplinary process,
findings, and action, the appeal is forwarded to the appropriate Appellate Administrator. Sanctions imposed by the Student Discipline Administrator are customarily suspended until the appeal process is completed, unless otherwise notified by the Appellate Administrator.

2. **Conditions for appeal.** Except as required to explain the basis of new information, an appeal shall be limited to a review of the verbatim record of the Student Discipline Board Hearing and supporting documents for one or more of the following purposes:

   a. To determine whether the Student Discipline Board Hearing was conducted fairly in light of the charges and information presented, and in conformity with prescribed procedures giving the complaining party a reasonable opportunity to prepare and to present information that the Student Code was violated, and giving the Accused Student a reasonable opportunity to prepare and to present a response to those allegations. Deviations from designated procedures will not be a basis for sustaining an appeal unless significant prejudice results.

   b. To determine whether the decision reached regarding the Accused Student was based on substantial information, that is, whether there were facts in the case that, if believed by the fact finder, were sufficient to establish a violation of the Student Conduct Code occurred.

   c. To determine whether the sanction(s) imposed were appropriate for the violation of the Conduct Code which the student was found to have committed.

   d. To consider new information, sufficient to alter a decision or other relevant facts not brought out in the original hearing, because such information and/or facts were not known to the person appealing at the time of the original Student Discipline Board Hearing.

3. **Bringing closure to an appeal.** The Appellate Board’s opinion and recommendations for subsequent action are submitted to the Appellate Administrator to inform his/her final judgment. If an appeal is upheld by the Appellate Administrator, the matter shall be returned to the original Student Discipline Board and Student Discipline Administrator for re-opening of Student Discipline Board Hearings to allow reconsideration of the original determination and/or sanction(s). In consultation with the Student Discipline Administrator, the Appellate Administrator may elect to institute alternative sanctions that might be perceived as either more lenient or severe. If an appeal is set aside, the matter shall be considered closed and binding upon all involved. The Appellate Administrator will notify the student in writing of the decision.
Article V: Interpretation and Revision

A. Authority.

Any question of interpretation or application of the Student Discipline System shall be referred to the Vice President for Student Affairs or his/her designee for final determination.

B. Review and Revision Time line.

The Student Discipline System and Student Conduct Code shall be reviewed every three (3) years under the direction of the Vice President for Student Affairs. Revisions shall be implemented with the approval of the President.

C. Disclaimer.

The Student Discipline System and Conduct Code are subject to change when deemed necessary by the University to meet the evolving needs of students, the community, and the University. All substantive changes will be widely communicated by the Vice President for Student Affairs through various means available.
