The "New" Job Search

WHERE ARE THE JOBS?

- A great article [ONLINE](#) re: the job prospects for the class of 2020
- "There are some bright spots, including tech companies and programs. Most of the biggest names are continuing with their planned intake, albeit under difficult circumstances. The graduate market is going to be suppressed," Mr Isherwood says, "but not completely cut off at the knees" according to the article
- So, yes, there are still jobs out there! It's necessary to get a little more creative with the way you search.
- **Networking** is still the most successful way people find jobs, so make a list of *AT LEAST* ten people to reconnect with to let them know you're looking. Enlisting others to help you and will give you ideas and confidence.
- Expand your search to different types of jobs or industries.
- Update your LinkedIn account and use it to connect.
- Explore YOUR new online resource: **Handshake**.

HANDSHAKE (aka the new "Hire-A-Husky")

- You can now search jobs, post your resume, and make online appointments in your new online platform: **Handshake**.
- Go to the HBU Portal and click on the Career & Calling "bullhorn"
- **Handshake** is replacing "Hire-A-Husky" as your new job searching and resume posting platform for HBU students and alumni
- You'll have access to nationwide jobs from approved employers, be able to make online appointments, and much, much more!

A Prayer for our Grads: Heavenly Father, surround those graduating with your grace. Bless them with hope so they move into the future with hope. Help them to put the knowledge, skills, and experience into practice for all humanity to benefit. Inspire them to believe in the goodness of life even when faced with challenges and difficulties. As they commence with their lives, in a season of uncertainty, may they move forward with wisdom, patience, and faith. We ask this in the name of Jesus. Amen
